**ORDER APPOINTING MEDIATOR  
FOR A STRICKEN CASE**

PLAINTIFF,

vs.

Case No.:

DEFENDANT

It appears to the satisfaction of the Court that this matter was not reached for trial under the restrictions of the Supreme Court Order regarding the striking of cases within 270 days of filing. It further appears this case cannot be restored to the active docket until mediation is completed.

\_\_\_\_ Counsel for the parties or the parties themselves agree that \_\_\_\_\_ shall be the mediator for this case.

\_\_\_\_ Counsel for the parties or the parties themselves have been unable to agree upon a mediator. As a result, the court appoints \_\_\_\_\_ as mediator. In the event the mediator has a conflict of interest or is unable to serve, the alternate mediator is \_\_\_\_\_.

The parties and/or their attorneys shall contact the court-appointed mediator directly regarding scheduling. Mediator's fees shall be due when billed. Further, the requirement to complete mediation in 60 days is waived inasmuch as any previously filed hearing request is dormant at this time.

The requesting party certifies that the attorneys have communicated and agreed that the case is ready to be mediated.
