

### **STATISTICAL SECTION**

### (UNAUDITED)

This part of the County's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, required supplementary information, and supplementary information says about the Government's overall financial health.

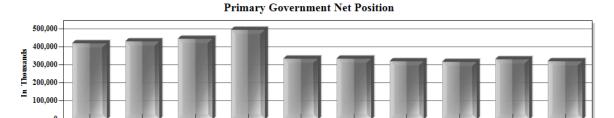

### **Contents**

<u>P</u> :	<u>age</u>
Financial Trends	138
These schedules contain trend information to help the reader understand how the Government's financial performance and well-being have changed over time.	
Revenue Capacity139 -	142
These schedules contain information to help the reader assess the Government's most significant local revenue sources.	
Debt Capacity143 -	146
These schedules present information to help the reader assess the affordability of the	
Government's current levels of outstanding debt and the Government's ability to issue additional debt in the future.	
Demographic and Economic Information147 -	151
These schedules offer demographic and economic indicators to help the reader understand the	
environment within which the Government's financial activities take place.	
Operating Information	152
These schedules contain service and infrastructure data to help the reader understand how the	
information in the Government's financial report relates to the services the Government provides and the activities it performs.

### **Estimated Actual Value - Taxable Property**

Note: Assessed values are established by the County Assessor and the South Carolina Department of Revenue at various rates between 4 and 10.5 percent of the estimated market value. The total direct tax rate is the combined tax rate to finance general government services and principal/interest on long-term debt. Tax rates are per \$1,000 of assessed value. Beginning in fiscal year 2014 the total direct tax rate includes the addition of Parks, Recreation and Tourism.

Source: Greenville County Treasurer and surrounding Municipalities

Note: This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the County of Greenville. This process recognizes that, when considering the government's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account.
