ARTICLE I

FINDINGS OF FACT

As an incident to the enactment of this Ordinance and the issuance of the bonds provided for herein, the County Council of Greenville County (the "**Council**"), the governing body of Greenville County, South Carolina (the "**County**"), finds that the facts set forth in this **Article I** exist, and the statements made with respect thereto are true and correct.

Section 1.01 Objectives

(a) By virtue of Title 11, Chapters 15 and 21, and Title 4, Chapter 15, as amended, and as supplemented by Section 11-27-40 Code of Laws of South Carolina, 1976, as amended (the "**South Carolina Code**"), the County is empowered to issue general obligation bonds for any "authorized purpose" as therein defined and authorized to issue general obligations bonds to refund or advance refund other outstanding bonds of the County, provided that a savings in debt service can thereby be effected. The above-referenced chapters and section of the South Carolina Code are hereinafter collectively referred to as the "**Enabling Act.**"

(b) Pursuant to the provisions of Chapter 19 of Title 4 of the South Carolina Code, the Council is empowered to establish, operate and maintain a system of fire protection facilities within designated areas of the County in order to provide the residents and property owners who reside and own property located within the designated areas with fire protection services.

(c) Pursuant to the provisions of Chapter 19 of Title 4 of the South Carolina Code and Ordinance No. 1786 enacted on January 5, 1988, as amended (collectively, the "**FSA Ordinance**"), the Council created the Glassy Mountain Fire Service Area (the "**Glassy Mountain Fire Service Area**") to provide fire protection services in a portion of the unincorporated area of the northern section of the County. The FSA Ordinance also authorized the County to issue, from time to time by ordinance subsequent thereto, general obligation bonds of the County to finance capital improvements within the Glassy Mountain Fire Service Area.

(d) The County previously issued its \$2,100,000 original principal amount General Obligation Bond (Glassy Mountain Fire Service Area Project), Series 2005, dated July 21, 2005 (the "**2005 Bonds**"), to defray the costs of (1) constructing a new 7,500 square foot substation outside the Cliffs of Valley; (2) constructing a new 4,000 square foot addition to the headquarters for the Glassy Mountain Fire Service Area including renovating work on the existing building; (3) constructing a new 2,000 square foot addition to Oak Grove Substation including minor renovation; and (4) renovating the existing 3,000 square foot substation on the west side of the Glassy Mountain Fire Service Area. The outstanding principal amount of the 2005 Bonds is \$870,000, maturing April 1, 2016 through April 1, 2020 and bearing interest at the rate of 3.27%. The 2005 Bonds maturing on April 1, 2016 to 2020 in the principal amount of \$870,000 are subject to optional redemption prior to maturity at the redemption price of 101% commencing April 1, 2012 (the "**2005 Callable Bonds**").

(e) The County previously issued its \$980,000 original principal amount General Obligation Bond (Glassy Mountain Fire Service Area Project), Series 2009, dated September 16, 2009 (the "**2009 Bonds**"), to defray the costs of the of (1) acquisition of several items of equipment including three brush rigs, one mini pumper fire truck, one tanker fire truck, one jaws-of-life and one self-contained breathing

apparatus fill station and (2) acquisition of various items of equipment currently subject to a lease purchase financing agreement. The outstanding principal amount of the 2009 Bonds is \$665,000, maturing April 1, 2016 through April 1, 2024 and bearing interest at the rate of 4.41%. Currently, the 2009 Bonds maturing on April 1, 2020 to 2024 are the only maturities subject to optional redemption prior to maturity at the redemption price of par commencing April 1, 2019; however, the County plan to negotiate with the holder of the 2009 Bonds to allow for an early redemption of all 2009 Bonds (the “**2009 Callable Bonds**”).

(f) After due investigation, the Council has determined that it is in the best interest of the County to undertake the financing of the costs of the acquisition of (i) thermal imaging equipment, (ii) rescue fire trucks, (iii) engine fire trucks, and (iv) various other items of equipment (collectively, the “**Project**”). In so authorizing the issuance of such general obligation bond, the Council finds that the benefits arising from the Project will accrue to all persons and property within the Glassy Mountain Fire Service Area.

(g) The Council has made a careful assessment of market conditions now prevailing and has determined that a savings in the debt service of the 2005 Callable Bonds and the 2009 Callable Bonds, (hereinafter collectively, the “**Refunded Bonds**”) can be achieved through a refunding of the Refunded Bonds and calling the same at the first practicable permissible redemption dates thereof. In accordance with the terms of the Original Ordinances (as defined in **Section 2.01** hereof), but subject to the provisions of **Section 3.01** hereof, the Refunded Bonds shall be redeemed on such dates at the applicable prices thereof plus accrued interest thereon.

(h) In order to defray the cost of the Project and the refunding the Refunded Bonds, the Council has determined to issue general obligation bonds in the principal amount of not exceeding \$2,400,000 to be initially repayable from ad valorem taxes collected within the Glassy Mountain Fire Service Area.

Section 1.02 Recital of Applicable Constitutional Provisions

Section 14(7) of Article X of the Constitution of the State of South Carolina, 1895, as amended (the “**State Constitution**”), provides that the counties of the State of South Carolina (the “**State**”) may issue bonded indebtedness without regard to its constitutional debt limitation provided such bonded indebtedness is issued pursuant to Section 12 of Article X of the State Constitution. Section 12 of Article X of the State Constitution allows counties to incur bonded indebtedness for fire protection benefiting only a particular geographical section of the County provided that a special assessment, tax or service charge in an amount designed to provide debt service on bonded indebtedness or revenue bonds incurred for such purpose shall be imposed upon the area or persons receiving the benefit therefrom. The County will, pursuant to this Ordinance, impose an ad valorem tax, without limit, on the Glassy Mountain Fire Service Area sufficient to defray the debt service on the proposed bond. Thus, with respect to the proposed bonds of the County referred to in **Section 1.01(h)** hereof, the Council may cause to be issued a general obligation bond in the aggregate principal amount of not exceeding \$2,400,000 to be repaid from ad valorem taxes collected within the Glassy Mountain Fire Service Area for the purpose of paying the costs of the Project, refunding the Refunded Bonds and paying issuance costs.

In the event, however, that the ad valorem tax levies described in the preceding paragraph are insufficient to pay the debt service on the Bonds (as defined herein), the County is required pursuant to Title 4, Chapter 19 of the South Carolina Code to levy an ad valorem tax without limit as to rate or amount on all taxable property in the County to remedy such delinquency.

Section 1.03 Holding of Public Hearing and Notice Thereof

Pursuant to the provisions of Section 4-9-130 of the South Carolina Code, a public hearing, after giving reasonable notice, is required to be conducted prior to the third and final reading of this Ordinance by the Council. In accordance with this provision, a public hearing shall be conducted and due notice shall be provided all as required by said South Carolina Code Section 4-9-130. The form of the notice as published in *The Greenville News* in the City of Greenville shall be substantially as set forth in **Exhibit A** attached hereto.

Section 1.04 Notice of Adoption of Ordinance.

Section 4-9-1220 of the South Carolina Code provides that within 60 days following the adoption by the Council of an ordinance authorizing the issuance of general obligation debt, a petition signed by not less than fifteen percent of the qualified electors of the County may be filed with the Clerk to Council requesting that such ordinance be repealed. However, said Section 4-9-1220 does not apply in the event the Council publishes notice of the adoption of such ordinance in accordance with the provisions of Section 11-27-40(8) of the South Carolina Code. Under said Section 11-27-40(8), a notice signed by five qualified electors requesting the repeal of such ordinance may be filed with the Clerk to Council and with the Clerk of the Court of Common Pleas of the County within 20 days of the published notice. In accordance with this provision, the notice prescribed thereby may, at the option of the Administrator, be published subsequent to the third and final reading of this Ordinance. The notice is to be published substantially in the form attached hereto as **Exhibit F**.

Section 3.07 Exchange of Bonds

Bonds, upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered Holder or his duly authorized attorney, may, at the option of the registered Holder thereof, be exchanged for an equal aggregate principal amount of Bonds in authorized denominations of the same interest rate and maturity. All Bonds shall at all times, when the same are Outstanding, be payable, both as to Principal Installment, Redemption Price and interest to a Person, and shall be transferable, only in accordance with the provisions for registration and transfer contained in this Ordinance and in the Bonds. So long as any of the Bonds remain Outstanding, the County shall maintain and keep, at the Corporate Trust Office of the Registrar, books for the registration and transfer of Bonds, and, upon presentation thereof for such purpose at the Corporate Trust Office of the Registrar, the County shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Registrar may prescribe, any Bond, except that under no circumstances shall any Bond be registered or transferred to bearer. So long as any of the Bonds remain Outstanding, the County shall make all necessary provisions to permit the transfer of Bonds at the Corporate Trust Office of the Registrar.

Section 3.09 Transfer of Bonds

Each Bond shall be transferable only upon the books of the County, which shall be kept for such purpose at the Corporate Trust Office of the Registrar which shall be maintained for such purpose by the Registrar, upon presentation and surrender thereof by the Holder of such Bond in person or by his attorney duly authorized in writing, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered Holder or his duly authorized attorney. Upon surrender for transfer of any such Bond, the County shall execute and the Registrar shall authenticate and deliver, in the name of the Person who is the transferee, one or more new Bonds of the same aggregate principal amount and maturity and rate of interest as the surrendered Bond. All action taken by the Registrar pursuant to this **Section 3.09** shall be deemed to be the action of the County.

Section 3.10 Regulations with Respect to Exchanges and Transfers

All Bonds surrendered in any exchanges or transfers shall forthwith be cancelled by the Registrar. For each such exchange or transfer of Bonds, the County or the Registrar may make a charge sufficient to reimburse it or them for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the Holder requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The County shall not be obligated to (i) issue, exchange or transfer any Bond after the Record Date with respect to any Bond Payment Date of the Bonds; (ii) issue, exchange or transfer any Bond during a period beginning at the opening of business 15 days next preceding any selection of Bonds to be redeemed and ending at the close of business on the date of the mailing of notice of such redemption; or (iii) transfer or exchange any Bonds called or being called for redemption in whole or in part.

Section 3.11 Mutilated, Destroyed, Lost and Stolen Bonds

(a) If any mutilated Bond is surrendered to the Registrar and the Registrar or the County receives evidence to their satisfaction of the destruction, loss or theft of any Bond, and there is delivered to the Registrar and the County such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice that such Bond has been acquired by a *bona fide* purchaser, the County shall execute, and upon County Request, the Registrar shall authenticate and deliver, in exchange for any such mutilated Bond or in lieu of any such destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number unlike that of a Bond contemporaneously Outstanding. The Registrar shall thereupon cancel any such mutilated Bond so surrendered. In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the County in its discretion may, instead of issuing a new Bond, pay such Bond.

(b) Upon the issuance of any new Bond under this **Section 3.11**, the County may require the payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees or other fees, of the County or the Registrar connected therewith.

(c) Each new Bond issued pursuant to this **Section 3.11** in lieu of any destroyed, lost or stolen Bond, shall constitute an additional contractual obligation of the County, whether or not the destroyed, lost or stolen Bond shall at any time be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionately with any and all other Bonds duly issued pursuant to this Ordinance. All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds and shall preclude (to the extent lawful) all other rights or remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds or securities.

Section 3.12 Holder as Owners of Bond

Subject to the provisions of **Section 3.20** hereof, the County, the Registrar and any Paying Agent may treat the Holder of any Bond as the absolute owner thereof, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the Principal Installment or Redemption Price of and interest on such Bond and for all other purposes, and payment of the Principal Installment, Redemption Price and interest shall be made only to, or upon the order of, such Holder. All payments to such Holder shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor any Paying Agent shall be affected by any notice to the contrary.

Section 3.13 Cancellation of Bonds

The Registrar shall destroy all Bonds surrendered to it for cancellation and shall deliver a certificate to that effect to the County. No such Bonds shall be deemed Outstanding under this Ordinance and no Bonds shall be issued in lieu thereof.

Section 3.14 Payments Due on Saturdays, Sundays and Holidays

In any case where the Bond Payment Date shall be a Saturday or Sunday or shall be, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest on or Principal Installment or Redemption Price of the Bonds need not be made on such date but may be made on the next succeeding business day not a Saturday, Sunday or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the Bond Payment Date and no interest shall accrue for the period after such date.

Section 3.15 Conditions Relating to Naming of Interest Rates

The Bonds shall bear such rate or rates of interest as shall at the sale of such Bonds reflect the lowest true interest cost to the County calculated in the manner hereinafter prescribed in this **Section 3.15** at a price of not less than par, but:

- (a) all Bonds of a Series of the same maturity shall bear the same rate of interest;
- (b) no rate of interest named shall be more than two (2) percentage points higher than the lowest rate of interest named;

(c) each interest rate named shall be a multiple of 1/20th or 1/8th of one (1) percentage point;
and

(d) any premium offered must be paid in cash as a part of the purchase price;

provided, however, that the Administrator, upon the advice of the Financial Advisor, is hereby authorized to make any such adjustments to any of the above criteria except (d) as he shall determine prior to offering the Bonds for sale.

For the purpose of determining lowest true interest cost, the true interest cost expressed as an annual interest rate shall be computed by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from their respective payment dates to the date of the particular Series of Bonds, so that these discounted payments equal the price bid, not including accrued interest.

Section 3.16 State Tax Exemption

Both the Principal Installment and interest on said Bonds shall be exempt from all State, county, municipal, school district, and all other taxes or assessments of the State, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate, transfer and certain franchise taxes.

Section 3.17 Order of Tax Levy to Pay Principal and Interest of Bonds

For the payment of the Principal Installment and interest on the Bonds as the same respectively mature and for the creation of such sinking fund as may be necessary therefor, the full faith, credit and taxing power of the County are hereby irrevocably pledged, and there shall be levied annually by the Auditor of the County, and collected by the Treasurer of the County, in the same manner as county taxes are levied and collected, a tax on all taxable property in the Glassy Mountain Fire Service Area, sufficient to pay the Principal Installment and interest on such Bonds as they respectively mature, and to create such sinking fund as may be necessary therefor.

Section 3.18 Notice to Auditor and Treasurer to Levy Tax

The Auditor and Treasurer of the County shall be notified of this issue of Bonds and directed to levy and collect, respectively, upon all taxable property in the Glassy Mountain Fire Service Area an annual tax sufficient to meet the payment of the Principal Installment and interest on said Bonds, as the same respectively mature, and to create such sinking fund as may be necessary therefor.

Section 3.19 Form of Bonds

The form of the Bonds, and registration provisions to be endorsed thereon shall be substantially as set forth in **Exhibit B** attached hereto and made a part of this Ordinance.

Section 3.20 Book-Entry

(a) Unless determined otherwise by the Administrator and except as provided in **Section 3.20(c)**, the Bonds shall be held under a book-entry only system administered by the Securities Depository and shall be registered in the name of the Nominee. Payment of interest on any Bond registered in the name of the Nominee shall be made by New York Clearing House or equivalent next day

funds to the account of the Nominee on the interest payment date for the Bonds at the address indicated for the Nominee on the registration books kept by the Registrar.

(b) The Bonds shall be initially issued in the form of separate, single, authenticated fully-registered Bonds in the amount of each separately stated maturity of Bonds of a Series. Upon initial issuance, the ownership of each such Bond shall be registered on the registration books kept by the Registrar in the name of the Nominee. The County may treat the Securities Depository (or the Nominee) as the sole and exclusive owner of the Bonds registered in the name of the Nominee for the purposes of (A) paying the principal of or interest on the Bonds, (B) selecting the Bonds or portions thereof to be redeemed, (C) giving any notice permitted or required to be given to Holders of Bonds under the Ordinance, (D) registering the transfer of Bonds, and (E) requesting any consent or other action to be taken by the Holders of the Bonds and for all other purposes whatsoever; and neither the Registrar nor the County shall be affected by any notice to the contrary. Neither the Registrar nor the County shall have any responsibility or obligation to any Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the Bonds under or through the Securities Depository or any Participant, or any other person which is not shown on the registration books of the Registrar as being a Holder of Bonds, with respect to (1) the accuracy of any records maintained by the Securities Depository or any Participant, (2) the payment to the Securities Depository, any Participant or any Beneficial Owner of any amounts in respect of the principal of or interest on the Bonds, (3) any notice which is permitted or required to be given to Holders of the Bonds under this Ordinance, or (4) any consent given or other action taken by the Securities Depository as such Holder. The County shall pay all principal of and interest on the Bonds only to the Securities Depository (or the Nominee), and all such payments shall discharge the County's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. Except as provided in **Section 3.20(c)** below, no person other than the Securities Depository shall receive an authenticated Bond certificate. Upon delivery by the Securities Depository to the County of written notice to the effect that the Securities Depository has determined to substitute a new Nominee in place of Cede & Co., the Bonds shall be transferable to such new Nominee in accordance with the provisions of this Ordinance.

(c) In the event the County determines, consistent with the operating rules of the Securities Depository, that it is in the best interest of the County not to continue the book-entry only system of transfer with respect to the Bonds, or that the interests of the Beneficial Owners might be adversely affected if the book-entry only system of transfer is continued with respect to the Bonds, then the County may notify the Securities Depository of such determination, whereupon the Securities Depository will notify the participants of the availability through the Securities Depository of Bond certificates. In such event, the Registrar shall issue, transfer and exchange Bond certificates as requested by the Securities Depository and any Participant or Beneficial Owner in appropriate amounts in accordance with this Ordinance. The Securities Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the County and discharging its responsibilities with respect thereto under applicable law or the County may determine that the Securities Depository is incapable of discharging its duties as such and may so advise the Securities Depository. In either such event, the County shall either (A) establish its own book-entry only system, (B) locate another Securities Depository, or (C) deliver Bond certificates as provided herein and as requested by any Participant or Beneficial Owner, subject to the rules and procedures of the Securities Depository.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payment with respect to the principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the Representations Letter.

(e) In connection with any notice or other communications to be provided to the Holders of Bonds pursuant to this Ordinance by the County with respect to any consent or other action to be taken by the Holders of Bonds, the County shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible. Such early notice to DTC shall be given when DTC is the Securities Depository.

Section 3.21 Separate Series of Bonds

At the discretion of the Administrator, upon advice from the Financial Advisor, the Bonds authorized herein may be sold and issued in one or more series.

ARTICLE IV

REDEMPTION OR PURCHASE OF BONDS

Section 4.01 Authorization of Redemption

(a) Optional Redemption. The Bonds maturing subsequent to April 1, 2025, shall be subject to redemption at any time on and after April 1, 2025 at the option of the County, in whole or in part, but if in part in the order determined by the County, at a Redemption Price equal to the par amount of the principal amount of the Bonds to be redeemed, together in each case, with accrued interest to the date fixed for redemption. Provided, however, that the Administrator is hereby authorized to make any such adjustment to the redemption provisions herein as he, upon the advice of the Financial Advisor, shall determine prior to offering the Bonds for sale.

(b) Mandatory Redemption. In the event the Administrator, upon the advice of the Financial Advisor, shall determine that a portion of the Bonds shall be Term Bonds subject to mandatory sinking fund redemption prior to their stated maturity date:

(1) Such Term Bonds, to the extent not previously redeemed, shall be redeemed at a redemption price of one hundred percent (100%) of the applicable principal amount, plus interest accrued to the redemption date, on the applicable April 1.

(2) The amount of any such mandatory sinking fund redemptions shall be reduced to the extent Term Bonds of the applicable maturity have been purchased by the County or redeemed by the County pursuant to **Section 4.01(a)** above, in such manner as the County shall direct, or, absent such direction, on a pro rata basis.

(3) At its option, to be exercised on or before the 45th day next preceding any date set for scheduled mandatory redemption with respect to the Term Bonds, the County may (i) deliver to the Paying Agent for cancellation Term Bonds in any aggregate principal amount desired or (ii) receive a credit in respect of its scheduled mandatory redemption payment obligation for any Term Bonds which prior to said date have been redeemed (otherwise than through a scheduled mandatory redemption) and cancelled by the Paying Agent and not theretofore applied as a credit against any scheduled mandatory redemption payment obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Paying Agent at 100% of the principal amount thereof against the obligation of the County on such scheduled mandatory redemption payment date; and the principal amount of such Term Bonds to be redeemed by operation of scheduled mandatory redemption shall be accordingly reduced.

(4) The County will on or before the 45th day next preceding each date set for scheduled mandatory redemption with respect to the Term Bonds, furnish to the Paying Agent a certificate indicating whether or not and to what extent the provisions of (i) and (ii) of the preceding paragraph are to be availed of with respect to such scheduled mandatory redemption and confirm that monies equal to the balance of such redemption payment will be paid on or before the next succeeding date set for scheduled mandatory redemption.

Section 4.02 County's Election to Redeem

In the event that the County shall, in accordance with the provisions of **Section 4.01**, elect to redeem Bonds, it shall give notice by County Request to the Registrar and Paying Agent of each optional redemption. Each County Request shall specify the date fixed for redemption and the Bonds which are to be redeemed. Such notice shall be given at least 60 days prior to the date fixed for redemption or such lesser number of days as shall be acceptable to the Registrar.

Section 4.03 Notice of Redemption

(a) When any Bonds are to be redeemed, the Registrar shall give notice of the redemption of the Bonds in the name of the County specifying (i) the Bonds and maturities to be redeemed; (ii) the redemption date; (iii) the Redemption Price; (iv) the numbers and other distinguishing marks of the Bonds to be redeemed unless all of the Bonds Outstanding are to be redeemed; (v) the place or places where amounts due upon such redemption will be payable; and (vi) in the case of Bonds to be redeemed in part only, the respective portions of the principal thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, together with interest accrued to the redemption date, and that, from and after such date, interest thereon shall cease to accrue. The Registrar shall mail by registered mail a copy of such notice, postage prepaid, not less than 30 days before the redemption date to the registered Holders of all Bonds or portions of Bonds which are to be redeemed at their addresses which appear upon the registration books, but failure to so mail any such notice to any of such Holders shall not affect the validity of the proceedings for the redemption of Bonds held by Holders to whom written notice has been mailed. The obligation of the Registrar to give the notice required by this **Section 4.03** shall not be conditioned upon the prior payment to the Paying Agent of money or the delivery to the Paying Agent of Authorized Investments or Government Obligations sufficient to pay the Redemption Price of the Bonds to which such notice relates or the interest thereon to the redemption date.

(b) Notice of redemption having been given as provided in subsection (a) hereof, the Bonds or portions thereof so to be redeemed shall, on the date fixed for redemption, become due and payable at the Redemption Price specified therein plus accrued interest to the redemption date, and upon presentation and surrender thereof at the place specified in such notice, such Bonds or portions thereof shall be paid at the Redemption Price, plus accrued interest to the redemption date. On and after the redemption date (unless the County shall default in the payment of the Redemption Price and accrued interest), such Bonds shall cease to bear interest, and such Bonds shall no longer be considered as Outstanding hereunder. If money sufficient to pay the Redemption Price and accrued interest has not been made available by the County to the Paying Agent on the redemption date, such Bonds shall continue to bear interest until paid at the same rate as they would have borne, had they not been called for redemption, until the same shall have been paid.

Section 4.04 Selection by Registrar of Bonds to be Redeemed

(a) If less than all of the Bonds of like maturity are to be redeemed, the particular Bonds or portions of Bonds to be redeemed shall be selected, not less than 45 days prior to the date fixed for

redemption, by the Registrar by lot or in such other manner as the Registrar in its discretion may deem fair and appropriate; provided that the selection shall be in accordance with the rules of the Securities Depository.

(b) In making such selection, the Registrar shall treat each Bond to be redeemed as representing that number of Bonds of the lowest authorized denomination as is obtained by dividing the principal amount of such Bond by such denomination. If any Bond is to be redeemed in part, the portion to be so redeemed shall be in a principal amount of an authorized denomination.

(c) The Registrar shall promptly notify the County in writing of the Bonds so selected for redemption.

Section 4.05 Deposit of Redemption Price

On or before any date fixed for redemption of any Bonds, cash and/or a principal amount of non-callable Government Obligations maturing or redeemable at the option of the Holder thereof not later than the date fixed for redemption which, together with income to be earned on such Government Obligations prior to such date fixed for redemption, will be sufficient to provide cash to pay the Redemption Price of and accrued interest on all Bonds or portions thereof which are to be redeemed on such date, shall be deposited with the Paying Agent unless such amount shall have been previously deposited with the Paying Agent.

Section 4.06 Partial Redemption of Bonds

In the event part but not all of a Bond Outstanding shall be selected for redemption, upon presentation and surrender of such Bond by the Holder thereof or his attorney duly authorized in writing (with, if the County or the Paying Agent so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the County and the Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing) to the Registrar, the County shall execute and the Registrar shall authenticate and deliver to or upon the order of such Holder, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of any authorized denomination of like tenor. Bonds so presented and surrendered shall be cancelled in accordance with **Section 3.13** hereof.

Section 4.07 Purchases of Bonds Outstanding

Purchases of Bonds Outstanding may also be made by the County at any time with money available to it from any source. Upon any such purchase the County shall deliver such Bonds to the Registrar for cancellation.

ARTICLE V

SALE OF BONDS; APPROVAL OF OFFICIAL STATEMENT

Section 5.01 Determination of Time to Receive Bids – Form of Notice of Sale

The Bonds shall be sold at public sale, at a price of not less than par. Bids shall be received until noon (local time) on a date to be selected by the Administrator. The form of the Official Notice of Sale, and the conditions of sale, shall be substantially those set forth in *Exhibit C* attached hereto and made a part hereof. The said Bonds shall be advertised for sale in, at the discretion of the Administrator, *The Bond Buyer*, *The Greenville News* or *The State*, or more than one of the three, which advertisement(s)

shall each appear at least once, not less than seven (7) days before the date set for said sale. The date of sale may be adjusted in accordance with Section 11-27-40 of the South Carolina Code. The form of the advertisement(s) may be an abbreviated form of the Official Notice of Sale as shown in *Exhibit D* attached hereto and made a part hereof. At the option of the Administrator, the bonds may be sold pursuant to the terms of a Preliminary Official Statement and held in a book entry system or sold as one fully registered bond to be held by the successful purchaser thereof.

Section 5.02 Award of Bonds

Upon the receipt of bids for the purchase of the Bonds, unless all bids are rejected, the Administrator shall award each Series of Bonds to the bidder offering to purchase them at the lowest true interest cost to the County, as determined pursuant to **Section 3.15** hereof.

Section 5.03 Approval of Official Statement

The Council hereby authorizes the Administrator to determine whether to distribute a Preliminary Official Statement of the County in connection with the sale of the Bonds and, if so, with any modification as the Administrator approves, and hereby authorizes the Administrator to deem it final within the meaning of S.E.C. Rule 15(c)(2)-12. The Preliminary Official Statement may be distributed in electronic as well as printed format. The Council further authorizes the Administrator to determine whether to distribute and deliver the final Official Statement in print and electronic format by the successful bidders in connection with the reoffering and sale of the Bonds by the successful bidders. The Administrator is hereby authorized and directed to execute copies of the Official Statement, if any, and deliver them to the purchaser of the Bonds.

ARTICLE VI

DISPOSITION OF PROCEEDS OF SALE OF BONDS

Section 6.01 Disposition of Bond Proceeds Including Temporary Investments

The proceeds derived from the sale of the Bonds issued pursuant to this Ordinance shall be paid to the Treasurer of the County, to be deposited in a Bond Account Fund for the County, and shall be expended and made use of by the County as follows:

(a) the sums necessary (including any premium) to effect the refunding, defeasance and redemption of the Refunded Bonds shall be paid immediately to the holders of the Refunded Bonds to affect their respective redemptions or deposited immediately upon receipt in special trust funds established pursuant to the provisions of the Escrow Deposit Agreement, if applicable, described in **Section 6.02** below;

(b) the remaining proceeds shall be expended and made use of by the Council to defray the cost of issuing the Bonds and the cost of the Project or such other project within the Glassy Mountain Fire Service Area as approved by supplemental ordinance. Pending the use of Bond proceeds, the same shall be invested and reinvested by the Treasurer of the County in Authorized Investments. Subject to the obligation of the County to rebate certain investment earnings to the United States Treasury in accordance with Section 148(f) of the Code, earnings from such investments shall be applied, at the direction of the Council, either (i) to defray the cost of the Project and of issuing the Bonds and if not required for these purposes, then (ii) to pay the then next maturing installments of interest on the Bonds; and

(c) if any balance remains, it shall be applied to such other capital improvements within the Glassy Mountain Fire Service Area as provided by Council pursuant to an ordinance supplemental hereto or held by the Treasurer of the County in a special fund and used to effect the retirement of the Bonds authorized by this Ordinance;

provided, that neither the purchasers nor any Holder of the Bonds shall be liable for the proper application of the proceeds thereof.

Section 6.02 Authorization for Escrow Deposit Agreements

To the extent that either or both of the Refunded Bonds will not be refunded on the date of closing of the Bonds and in accordance with the provisions of the applicable defeasance provisions of the Original Ordinances, the paying agents for such Refunded Bonds as are to be refunded shall enter into one or more escrow deposit agreements with the County (the “*Escrow Deposit Agreements*”), whereby one of such paying agents (or, in the Administrator’s discretion, any other bank or trust company which would otherwise meet the organizational and capital requirements set forth in **Section 8.08** hereof with respect to a successor fiduciary) shall act as holder of an escrow account for the purpose of paying the redemption prices and accrued interest on the first practicable permissible redemption dates of the Refunded Bonds to be refunded. The Escrow Deposit Agreements shall, in the opinion of bond counsel to the County, comport with the requirements of the Enabling Act and the applicable defeasance provisions of the Original Ordinances. The execution of the Escrow Deposit Agreements by an Authorized Officer on behalf of the County is hereby approved and authorized.

Section 6.03 Redemption of Refunded Bonds

The Council hereby irrevocably elects to redeem the Refunded Bonds on the first respective practicable (as determined by the Administrator, in his discretion) permissible redemption dates thereof and authorizes or ratifies the actions of, as the case may be, the holder of the escrow account, if any, and the registrar of the Refunded Bonds, or either of them, to give notice of such redemption in the name of the County.

ARTICLE VII

DEFEASANCE OF BONDS

Section 7.01 Discharge of Ordinance – Where and How Bonds are Deemed to have been Paid and Defeased

If all of the said Bonds issued pursuant to this Ordinance and all interest thereon shall have been paid and discharged, then the obligations of the County under this Ordinance and all other rights granted hereby shall cease and determine. The Bonds shall be deemed to have been paid and discharged within the meaning of this **Article VII** under each of the following circumstances:

(a) The Paying Agent shall hold, at the stated maturities of the Bonds, in trust and irrevocably appropriated thereto, sufficient moneys for the payment of the Principal Installment and interest thereof; or

(b) If default in the payment of the principal of the Bonds or the interest thereon shall have occurred on any Bond Payment Date, and thereafter tender of such payment shall have been made, and at such time as the Paying Agent shall hold in trust and irrevocably appropriated thereto, sufficient moneys for the payment thereof to the date of the tender of such payment; or

(c) If the County shall elect to provide for the payment of the Bonds prior to their stated maturities and shall have deposited with the Paying Agent in an irrevocable trust moneys which shall be sufficient, or Government Obligations, the principal of and interest on which when due will provide moneys, which together with moneys, if any, deposited with the Paying Agent at the same time, shall be sufficient to pay when due the Principal Installment or Redemption Price and interest, due and to become due on the Bonds on and prior to their maturity dates or redemption dates, as the case may be. In the event that the County shall elect to redeem Bonds prior to their stated maturities, the County shall proceed in the manner prescribed by **Article IV** hereof.

Neither the Government Obligations nor moneys deposited with the Paying Agent pursuant to this **Section 7.01** nor the principal or interest payments thereon shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal Installment of, or Redemption Price and interest on, said Bonds; provided that any cash received from such principal or interest payments on Government Obligations deposited with the Paying Agent, if not then needed for such purpose, shall to the extent practicable, be invested and reinvested in Government Obligations maturing at times and in amounts sufficient to pay when due the Principal Installment or Redemption Price and interest to become due on said Bonds on the redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments not required for the payment of the Principal Installment, or Redemption Price and interest, may be paid over to the County, as received by the Paying Agent, free and clear of any trust, lien or pledge.

In the event any of the Bonds have been issued in separate series as provided in **Section 3.21** hereof, the provisions of this **Section 7.01** shall be deemed to apply to each series separately.

ARTICLE VIII

CONCERNING THE FIDUCIARIES

Section 8.01 Fiduciary, Appointment and Acceptance of Duties

If the County elects not to be the Registrar and Paying Agent, then the financial institution or institutions chosen pursuant to **Section 3.05** hereof to act as Paying Agent and Registrar hereunder shall accept the duties and trusts imposed upon it by this Ordinance and shall agree in writing to perform such trusts but only upon the terms and conditions set forth in this **Article VIII**. Similarly, each financial institution appointed as a successor Registrar or as a successor Paying Agent shall signify its acceptance of the duties and trusts imposed by this Ordinance by a written acceptance.

Section 8.02 Responsibilities of Fiduciaries

The recitals of fact herein and in the Bonds shall be taken as the statements of the County and no Fiduciary assumes any responsibility for the correctness of the same except in respect of the authentication certificate of the Registrar endorsed on the Bonds. No Fiduciary makes any representations as to the validity or sufficiency of this Ordinance or of any Bonds or as to the security afforded by this Ordinance, and no Fiduciary shall incur any liability in respect thereof. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct.

Section 8.03 Evidence on Which Fiduciaries May Act

(a) Each Fiduciary, upon receipt of any notice, ordinance, resolution, request, consent order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Ordinance, shall examine such instrument to determine whether it conforms to the requirements of this Ordinance and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may or may not be counsel to the County, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Ordinance in good faith and in accordance therewith.

(b) Whenever any Fiduciary shall deem it necessary or desirable that a matter to be proved or established prior to taking or suffering any action under this Ordinance, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Ordinance upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(c) Except as otherwise expressly provided in this Ordinance any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the County to any Fiduciary shall be sufficiently executed if executed in the name of the County by an Authorized Officer.

Section 8.04 Compensation

The County shall pay to each Fiduciary from time to time reasonable compensation based on the then standard fee schedule of the Fiduciary for all services rendered under this Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Ordinance.

Section 8.05 Certain Permitted Acts

Any Fiduciary may become the owner or underwriter of any Bonds, notes or other obligations of the County or conduct any banking activities with respect to the County, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depository for, and permit any of its officers or directors to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Ordinance.

Section 8.06 Resignation of Any Fiduciary

Any Fiduciary may at any time resign and be discharged of the duties and obligations created by this Ordinance by giving not less than 60 days written notice to the County and not less than 30 days written notice to the Holders of the Bonds as established by the books of registration prior to the next succeeding Bond Payment Date and such resignation shall take effect upon the date specified in such notice unless previously a successor shall have been appointed by the County pursuant to **Section 8.08** hereof in which event such resignation shall take effect immediately on the appointment of such successor. In no event, however, shall such a resignation take effect until a successor has been appointed.

Section 8.07 Removal of Fiduciary

Any Fiduciary may be removed at any time by (i) an instrument or concurrent instruments in writing, filed with the County and such Fiduciary, and signed by the Bondholders representing a majority in principal amount of the applicable series of Bonds then Outstanding or their attorneys in fact duly authorized, excluding any Bonds held by or for the account of the County, or (ii) by the County so long as no payment default has occurred with respect to the Bonds.

Section 8.08 Appointment of Successor Fiduciaries

In case any Fiduciary hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor shall be appointed by the County. Every such Fiduciary appointed pursuant to the provisions of this **Section 8.08** shall be a trust company or bank organized under the laws of the United States of America or any state thereof and which is in good standing, within or outside the State, having a stockholders' equity of not less than \$100,000,000 if there be such an institution willing, qualified and able to accept the trust upon reasonable and customary terms.

If in a proper case no appointment of a successor Fiduciary shall be made by the County pursuant to the foregoing provisions of this **Section 8.08** within 45 days after any Fiduciary shall have given to the County written notice as provided in **Section 8.06** hereof or after a vacancy in the office of such Fiduciary shall have occurred by reason of its removal or inability to act, the former Fiduciary or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor.

Section 8.09 Transfer of Rights and Property to Successor

Any successor Fiduciary appointed under this Ordinance shall execute, acknowledge and deliver to its predecessor, and also to the County, an instrument accepting such appointment. Thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Fiduciary, with like effect as if originally named in such capacity. The Fiduciary ceasing to act shall nevertheless, however, on the written request of the County, or of the successor, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of the predecessor Fiduciary in and to any property held by it under this Ordinance, and shall pay over, assign and deliver to the successor Fiduciary any money or other property subject to the trusts and conditions herein set forth. The County hereby represents and covenants that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds that refund the Refunded Bonds to become includable in the gross income of the Holder thereof for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder. Without limiting the generality of the foregoing, the County represents and covenants that:

(a) All property financed or refinanced by the net proceeds of the Bonds will be owned by the County, in accordance with the rules governing the ownership of property for federal income tax purposes.

The County will not enter into any leases or sales or service contracts with respect to any facility financed or refinanced with the proceeds of the Bonds or the Refunded Bonds with any federal government agency unless it obtains the opinion of nationally recognized bond counsel that such action will not affect the tax exemption of the Bonds.

In this respect, the County will pay to the United States Government in the manner described in subparagraph (2) below an amount equal to the sum of:

(i) the excess of:

(ii) Not later than sixty (60) days after the date on which all of the Bonds have been paid in full, all of the amount due as of the date of payment.

(b) In connection with the above, the Administrator is hereby authorized to make the necessary findings and elections to enable the County to elect to proceed with any spend down exemptions to rebate as may be permitted under said Section 148(f) of the Code and applicable Treasury Regulations as he shall determine in his discretion to be in the best interests of the County.

ARTICLE X

AMENDING AND SUPPLEMENTING OF ORDINANCE

Section 10.01 Amending and Supplementing of Ordinance Without Consent of Holders of Bonds

(a) The Council, from time to time and at any time and without the consent or concurrence of any Holder of any Bond, may enact an ordinance amendatory hereof or supplemental thereto, if the provisions of such supplemental ordinance shall not materially adversely affect the rights of the Holders of the Bonds then outstanding, for any one or more of the following purposes:

(1) To make any changes or corrections in this Ordinance as to which the Council shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

(2) To add additional covenants and agreements of the County for the purpose of further securing the payment of the Bonds;

(3) To surrender any right, power or privilege reserved to or conferred upon the County by the terms of this Ordinance;

(4) To grant or confer upon the Bondholders any additional right, remedies, powers, authority or security that lawfully may be granted to or conferred upon them; or

(5) To make such additions, deletions or modifications as may be necessary to assure compliance with Section 148(f) of the Code relating to required rebate to the United States or otherwise as may be necessary to assure the exclusion from gross income of interest on the Bonds for purposes of federal income taxation.

(b) The County shall not enact any supplemental ordinance authorized by the foregoing provisions of this **Section 10.01** unless in the opinion of counsel (which opinion may be combined with the opinion required by **Section 10.04** hereof) the enactment of such supplemental ordinance is permitted by the foregoing provisions of this **Section 10.01** and the provisions of such supplemental ordinance do not adversely affect the rights of the Holders of the Bonds then outstanding.

Section 10.02 Amending and Supplementing of Ordinance With Consent of Holders of Bonds

(a) With the consent of the Holders of not less than a majority in principal amount of the Bonds then Outstanding, the Council from time to time and at any time may enact an ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Ordinance, or modifying or amending the rights and obligations of the County under this Ordinance, or modifying or amending in any manner the rights of the Holders of the Bonds then Outstanding; provided, however, that, without the specific consent of the

Holder of each such Bond which would be affected thereby, no supplemental ordinance amending or supplementing the provisions hereof shall: (i) change the fixed maturity date of any Bond or the dates for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the redemption price (or the redemption premium) payable upon the redemption or prepayment thereof; (ii) reduce the aforesaid percentage of Bonds, the Holders of which are required to consent to any supplemental ordinance amending or supplementing the provisions of this Ordinance; or (iii) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the Holders of the Bonds of the enactment of any supplemental ordinance authorized by the provisions of **Section 10.01** hereof.

(b) It shall not be necessary that the consents of the Holders of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the supplemental ordinance affecting such amending or supplementing hereof pursuant to this **Section 10.02**. The County shall mail a notice at least once, not more than thirty (30) days after the effective date of such amendment or supplement of such amendment or supplement postage prepaid, to each Holder of Bonds then Outstanding at his address, if any, appearing upon the Books of Registry and to the Paying Agent, but failure to mail copies of such notice to any of the Holders shall not affect the validity of the supplemental ordinance effecting such amendments or supplements or the consents thereto. Nothing in this **Section 10.02(b)** contained, however, shall be construed as requiring the giving of notice of any amendment or supplement of this Ordinance authorized by **Section 10.01** hereof. No action or proceeding to set aside or invalidate such supplemental ordinance or any of the proceedings for its enactment shall be instituted or maintained unless such action or proceeding is commenced within sixty (60) days after the mailing of the notice required by this **Section 10.02(b)**.

Section 10.03 Notation Upon Bonds; New Bonds Issued Upon Amendments

In that case, upon demand of the Holder of any Bond Outstanding after such effective date and upon the presentation of the Bond for such purpose at the office of the Paying Agent, and at such additional offices, if any, as the County may select and designate for that purpose, a suitable notation shall be made on such Bond. If the County shall so determine, new Bonds, so modified as in the opinion of the County upon the advice of counsel to conform to the amendments or supplements made pursuant to this **Article X**, shall be prepared, executed, and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged without cost to such Holder for Bonds then Outstanding, upon surrender of such Outstanding Bonds.

Section 10.04 Effectiveness of Supplemental Ordinance

ordinance shall be a part of the terms and conditions of the Bonds and of this Ordinance for any and all purposes.

Section 10.05 Supplemental Ordinance Affecting Fiduciaries

No supplemental ordinance changing, amending or modifying any of the rights, duties and obligations of any Fiduciary appointed by or pursuant to the provisions of this Ordinance may be enacted by the Council or be consented to by the Holders of the Bonds without written consent of such Fiduciary affected thereby.

ARTICLE XI

MISCELLANEOUS

Section 11.01 Failure To Present Bonds

Anything in this Ordinance to the contrary notwithstanding, any money held by the Paying Agent in trust for the payment and discharge of any of the Bonds, or the interest thereon, which remains unclaimed for such period of time, after the date when such Bonds have become due and payable, that the Holder thereof shall no longer be able to enforce the payment thereof, the Paying Agent shall at the written request of the County pay such money to the County as its absolute property free from trust. The Paying Agent shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the County for the payment of such Bonds. Provided, however, the Paying Agent shall forward to the County all moneys which remain unclaimed during a period five (5) years from a Bond Payment Date; and further provided, however, that before being required to make any such payment to the County, the Paying Agent, at the expense of the County, may conduct such investigations as may in the opinion of the Paying Agent be necessary to locate the Holders or those who would take if the Holder shall have died.

Section 11.02 Severability of Invalid Provisions

If any one or more of the covenants or agreements provided in this Ordinance should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and shall in no way affect the validity of the other provisions of this Ordinance.

Section 11.03 Successors

Whenever in this Ordinance the County is named or referred to, it shall be deemed to include any entity, which may succeed to the principal functions and powers of the County; and all the covenants and agreements contained in this Ordinance by or on behalf of the County shall bind and inure to the benefit of said successor whether so expressed or not.

Section 11.04 Ordinance to Constitute Contract

In consideration of the purchase and acceptance of the Bonds by those who shall purchase and hold the same from time to time, the provisions of this Ordinance shall be deemed to be and shall constitute a contract between the County and the Holders from time to time of the Bonds. Such provisions are covenants and agreements with such Holders which the County hereby determines to be necessary and desirable for the security and payment thereof. The pledge hereof and the provisions, covenants, and agreements herein set forth to be performed on behalf of the County shall be for the equal

benefit, protection, and security of the Holders of any and all of the Bonds, all of which shall be of equal rank without preference, priority or distinction of any Bonds over any other Bonds.

Section 11.05 Filing of Copies of Ordinance

Copies of this Ordinance shall be filed in the office of the Council and the office of the Clerk of Court for the County (as a part of the Transcript of Proceedings).

Section 11.06 Further Action by Officers of County

The proper officers of the County are fully authorized and empowered to take the actions required to implement the provisions of this Ordinance and to furnish such certificates and other proofs as may be required of them, which include but are not limited to providing the notice and conducting the public hearing described in **Section 1.03** hereof.

Section 11.07 Continuing Disclosure

(a) Pursuant to Section 11-1-85 of the South Carolina Code, the County covenants to file with a central repository for availability in the secondary bond market when requested:

- (1) An annual independent audit, within thirty days of the County's receipt of the audit; and
- (2) Event specific information within thirty days of an event adversely affecting more than five percent of revenue or the County's tax base.

The only remedy for failure by the County to comply with the covenant in this **Section 11.07(a)** shall be an action for specific performance of this covenant. The County specifically reserves the right to amend this covenant to reflect any change in (including any repeal of) Section 11-1-85, without the consent of any Bondholder.

(b) In addition, the County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Ordinance, failure of the County to comply with the Continuing Disclosure Undertaking shall not be considered an event of default; however, any Bondholder may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County to comply with its obligations under this **Section 11.07(b)**. The Continuing Disclosure Undertaking shall be executed by an Authorized Officer prior to the delivery of the Bonds and shall be in such form as is set forth in **Exhibit E** hereto, together with such modifications and amendments thereto as shall be deemed necessary by such Authorized Officer, upon advice of counsel. The execution of the Continuing Disclosure Undertaking shall constitute conclusive evidence of the approval by the person executing the same of any and all modifications and amendments thereto.

Registered Holder:

Principal Amount: [_____] DOLLARS

GREENVILLE COUNTY, SOUTH CAROLINA (the “*County*”) acknowledges itself indebted and for value received hereby promises to pay, solely as hereinafter provided, to the Registered Holder (named above) or registered assigns, the Principal Amount set forth above on the Maturity Date stated above, unless this Bond be subject to redemption and shall have been redeemed prior thereto as hereinafter provided, upon presentation and surrender of this Bond at the County, and to pay interest on such Principal Amount at the annual Interest Rate stated above (calculated on the basis of a 360-day year of twelve 30-day months), until the obligation of the County with respect to the payment of such Principal Amount shall be discharged.

This Bond bears interest from the original issue date if no interest has yet been paid; otherwise from the last date to which interest has been paid and which date is on or prior to the date of this Bond’s authentication. Interest on this Bond is payable on April 1 and October 1 of each year beginning October 1, 2015. The interest so payable on any April 1 or October 1 shall be payable to the person in whose name this Bond is registered at the close of business on the 15th day of the March or on the 15th day of the September next preceding such April 1 or October 1.

The principal of all Bonds shall be payable at maturity and payment of the interest on each Bond shall be made on each Bond Payment Date by the County. Interest hereon shall be payable by check or draft mailed at the times provided in the Ordinance (as defined below) from the County to the person in whose name this Bond is registered on the applicable Record Date at the address shown on the registration books. The principal of, redemption premium, if any, and interest on this Bond are payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts; provided, however, that payment of the interest on this Bond shall be effected by check or draft as set forth above.

This Bond is one of an issue of Bonds in the aggregate principal amount of _____ Dollars (\$_____) of like tenor, except as to number, rate of interest, date of maturity and redemption provisions and issued pursuant to and in accordance with the Constitution and statutes of the State of South Carolina (the “*State*”), including particularly the provisions of Title 11, Chapters 15 and 21, and

Title 4, Chapter 15, as supplemented by Section 11-27-40, of the Code of Laws of South Carolina, 1976, as amended (collectively, the “*Enabling Act*”), and an Ordinance duly enacted on _____, 2015 by the County Council of the County (the “*Ordinance*”).

Certain capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Ordinance. Certified copies of the Ordinance are on file in the office of the Clerk to County Council and in the office of the Clerk of Court of the County.

For the prompt payment thereof, both principal and interest, as the same shall become due, the full faith, credit and taxing power of the County are irrevocably pledged. This Bond is payable initially from an ad valorem tax levied within the Glassy Mountain Fire Service Area (the “*Glassy Mountain Fire Service Area*”), a special tax district created by the County.

This Bond and the interest hereon are exempt from all State, county, municipal, school district, and all other taxes or assessments imposed within the State, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate, transfer and certain franchise taxes. The Bonds are issuable only as fully registered Bonds without coupons in the denomination of \$5,000 or any multiple thereof not exceeding the principal amount of the Bonds maturing in each year.

This Bond is transferable, as provided in the Ordinance, only upon the registration books kept for that purpose at the County by the Registered Holder in person or by his duly authorized attorney, upon (i) surrender of this Bond together with a written instrument of transfer satisfactory to the County, as registrar, duly executed by the Registered Holder or his duly authorized attorney and (ii) payment of the charges, if any, prescribed in the Ordinance. Thereupon a new fully registered Bond or Bonds of like maturity, interest rate and redemption provisions and in a like aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Ordinance. The County may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of or on account of the principal or Redemption Price hereof and interest due hereon and for all other purposes.

For every exchange or transfer of the Bonds, the County may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer.

[The Bonds maturing on April 1, ____, shall be subject to mandatory sinking fund redemption (to the extent not previously redeemed) at a redemption price of one hundred percent (100%) of such principal amount, plus interest accrued to the redemption date, on April 1 of each of the following years in the respective principal amounts for each year specified below:

<u>Year</u>	<u>Amount</u>
-------------	---------------

*Final Maturity

The amount of any mandatory sinking fund redemptions shall be reduced to the extent Bonds of the applicable maturity have been purchased by the County or redeemed by the County pursuant to any optional redemption provisions, in such manner as the County shall direct, or, absent such direction, on a pro rata basis.]

If less than all of the Bonds of like maturity are to be redeemed, the particular Bonds or portions of Bonds to be redeemed shall be selected not less than 45 days prior to the date fixed for redemption by the County by lot. Bonds in a denomination of more than \$5,000 may be redeemed in part from time to time in one or more units of \$5,000 in the manner provided in the Ordinance.

In the event that any Bonds are to be called for redemption as aforesaid, the County shall give notice of the redemption of the Bonds specifying (i) the Bonds and the maturities of the Bonds to be redeemed; (ii) the redemption date; (iii) the Redemption Price; (iv) the numbers and other distinguishing marks of the Bonds to be redeemed unless all of the Outstanding Bonds are to be redeemed; (v) the place or places where amounts due upon such redemption will be payable; and (vi) in the case of Bonds to be redeemed in part only, the respective portions of the principal thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, together with interest accrued to the redemption date, and that, from and after such date, interest thereon shall cease to accrue. The County shall mail by registered mail a copy of such notice, postage prepaid, not less than 30 days before the redemption date to the Registered Holders of any Bonds or portions of Bonds which are to be redeemed at their last addresses appearing upon the registration books, but failure to so mail any such notice to any one of such Registered Holders shall not affect the redemption of those registered Bonds to whose Registered Holders such notice was mailed.

On the specified redemption date (unless the County shall default in the payment of the Redemption Price and accrued interest), all Bonds so called for redemption shall cease to bear interest, shall no longer be secured by the Ordinance and shall no longer be considered as Outstanding.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and Statutes of the State to exist, be performed or happen precedent to or in the issuance of this Bond, exist, have been performed and have happened, that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limit prescribed by such Constitution or Statutes, and

that provision has been made for the allocation, on an annual basis, of sufficient tax revenues collected within the Glassy Mountain Fire Service Area to provide for the punctual payment of the principal of and interest on this Bond and the issue of Bonds of which this Bond is one.

This Bond shall not be valid or obligatory for any purpose until the Certificate of Authentication hereon shall have been duly executed by the Registrar.

IN WITNESS WHEREOF, the County has caused this Bond to be signed in its name by the Chairman of County Council and the County Administrator, and its corporate seal to be hereunto reproduced and attested to by the Clerk to County Council.

Either the Deputy County Administrator or his designee will publicly open and read the bids at the time, place and date set forth above. Unless all bids are rejected, the Bonds will be awarded to the bidder offering the lowest true interest cost to the County.

Bonds: The Bonds will be issued under the DTC Book-Entry Only System. The Bonds will be dated as of _____, 2015; will be in denominations of \$5,000 each or any integral multiple thereof not exceeding the principal amount of Bonds maturing each year; and will mature in successive annual installments on April 1 in each of the years and in the principal amounts as follows:

<u>Year</u>	<u>Principal Amount</u>	<u>Year</u>	<u>Principal Amount</u>
2016		2024	
2017		2025	
2018		2026

The aggregate principal amount and the principal amount of each maturity of the Bonds described above are subject to adjustment, both before and after the receipt and opening of sealed bids for their purchase. Changes to be made prior to the sale may be made in any amount not violating the County’s constitutional debt limitation. Such changes prior to the sale will be announced through the Bloomberg Wire or the Bond Buyer Wire not later than 9:00 a.m. prevailing local time on the date of sale and will be used to compare bids and select a winning bidder. As promptly as reasonably practicable after the bids are opened, the County will notify the bidder to whom the Bonds will be awarded, if and when such award is made, and such bidder, upon such notice, shall advise the County of the initial reoffering prices and yields to the public of each maturity of the Bonds. Such reoffering prices and yields, among other things, will be used by the County to calculate the final aggregate principal amount of the Bonds and the final principal amount of each maturity. Changes to be made after the bids are opened will be made only as necessary to effect the refunding. It is anticipated that the final aggregate principal amount of the Bonds and the final principal amount for each maturity of the Bonds will be communicated to the successful bidder within 24 hours of the bond sale. The dollar amount bid for principal by the successful bidder will be adjusted proportionately to reflect any reduction or increase in the aggregate principal amount of the Bonds, but the coupon rates specified by the successful bidder for all maturities will not change. The successful bidder may not withdraw its bid as a result of any changes made within these limits.

The Bonds will bear interest from the date thereof payable October 1, 2015 and semiannually on April 1 and October 1 of each year thereafter.

Not Qualified Bonds: The Bonds are not designated as “qualified tax-exempt obligations” as defined in Section 265 of the Internal Revenue Code of 1986, as amended.

Purpose: The proceeds of the Bonds will be used to (a) refund a portion of the \$2,100,000 original principal amount General Obligation Bond (Glassy Mountain Fire Service Area Project), Series 2005 and the \$980,000 original principal amount General Obligation Bonds (Glassy Mountain Fire Service Area Project), Series 2009; (b) acquire various items of equipment for the Glassy Mountain Fire Service Area, a special tax district created by the County, and (c) pay costs of issuance.

Security: The Bonds will constitute a binding general obligation of the County. For the payment of the principal and interest thereof, as they respectively mature, and to create such sinking fund to aid in the retirement and payment

thereof, the full faith, credit and taxing power of the County will be irrevocably pledged, and there will be levied and collected annually upon all taxable property in the Glassy Mountain Fire Service Area an *ad valorem* tax, without limitation as to rate or amount, sufficient for such purposes.

Redemption Provisions: The Bonds maturing on or prior to April 1, 20__ are not subject to redemption prior to maturity. The Bonds maturing subsequent to April 1, 20__ shall be subject to redemption on and after April 1, 20__, at the option of the County, in whole or in part at any time, but if in part, in such maturities as designated by the County and by lot as to the Bonds or portions of the Bonds within a maturity (but only in integral multiples of \$5,000), at the redemption price of par, together in each case, with accrued interest to the date fixed for redemption.

Term Bonds: Bidders may combine two or more consecutive maturities of Bonds to create one or more term maturities, each of which will be subject to annual mandatory sinking fund redemption at par plus accrued interest to the redemption date (to the extent not previously redeemed) in the principal amounts for the years shown above on April 1 of such year. To the extent Bonds subject to mandatory sinking fund redemption in a given year have been purchased by the County or redeemed by the County pursuant to the optional redemption provisions set forth above, the amount of mandatory sinking fund redemption in such year shall be reduced in such manner as the County shall direct, or, absent such direction, on a pro rata basis.

Registrar/Paying Agent: The County will serve as the initial Registrar/Paying Agent.

Bid Requirements: Bidders shall specify the rate or rates of interest per annum which the Bonds are to bear, to be expressed in multiples of 1/20 or 1/8 of 1% with no greater difference than two percent between the highest and lowest rates of interest named by a bidder. Bidders are not limited as to the number of rates of interest named, but the rate of interest on each separate maturity must be the same single rate for all Bonds of that maturity from their date to such maturity date. A bid for less than all the Bonds will not be considered. The Deputy County Administrator reserves the right to reject any and all bids or to waive irregularities in any bid.

Reoffering Price: To provide the County with information to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from gross income for federal income tax purposes, the successful bidder will be required to complete, execute and deliver to the County, at the time that the Bonds are delivered, a "Certificate of Reoffering Price." If the successful bidder will not reoffer the Bonds for sale or has not sold a substantial amount of the Bonds of any maturity by the date of delivery, such certificate may be modified in the manner approved by the County. In no event will the County fail to deliver the Bonds as a result of the successful bidder's inability to certify actual sales of Bonds at a particular price prior to delivery. Each bidder, by submitting its bid, agrees to complete, execute, and deliver such a certificate by the date of the delivery of the Bonds if its bid is accepted by the County. It will be the responsibility of the successful bidder to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certifications with reasonable certainty.

Form of Bid; Sealed Envelopes: Each bid must be on the Official Bid Form included with the Preliminary Official Statement if not submitted through *PARITY*[®]. Every bid must be unconditional and irrevocable and must be enclosed in a sealed envelope addressed to Greenville County Department of General Services, Attention: Deputy County Administrator, or if by facsimile with a cover page and endorsed "Bid for General Obligation Refunding and Improvement Bonds (Glassy Mountain Fire Service Area Project), Series 2015A." Each bid must be in accordance with the terms and conditions set forth in this Official Notice of Sale.

Basis for Award: If satisfactory bids are received, each Series of Bonds will be awarded to the lowest responsible bidder by the County not later than 24 hours after the time established for the receipt of bids. The lowest bidder shall be the bidder offering to purchase such Series of Bonds at the lowest true interest cost to the County. For the purpose of determining lowest true interest cost, the true interest cost (expressed as an annual interest rate) shall be computed by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from their respective payment dates to the date of such Series of Bonds, so that these discounted payments equal to the price bid, not including accrued interest. In the event that two or more bidders have bid the same true interest cost, the award shall be made by lot. The determination by the County of the true interest cost of each bid and the County's award of the bid will be final.

CUSIP Numbers: CUSIP identification numbers and CUSIP Service Bureau charges for assignment of the numbers will be the responsibility of the successful bidder and should be provided to the County within five (5) days of being selected as the winning bidder, but any delay, error or omission with respect thereto shall not constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. The successful bidder shall also be responsible for securing DTC eligibility.

Preliminary and Final Official Statements: The County has distributed an Official Statement in connection with the sale of the Bonds in preliminary form (the “*Preliminary Official Statement*”). The County, by accepting the bid of the successful bidder, (a) certifies to such successful bidder as of the date of acceptance of such bid that the Preliminary Official Statement furnished prior to the date of such acceptance has been “deemed final” as of its date by the County within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (“*Rule 15c2-12*”), although subject to revision, amendment and completion; and (b) agrees to provide such successful bidder, in order to permit such successful bidder to comply with Rule 15c2-12, with up to 50 printed copies of the final Official Statement approved by the County in relation to the sale by the County of the Bonds within the period of time allowed under Rule 15c2-12, at the sole cost and expense of the County, with any additional printed copies which such successful bidder shall reasonably request to be provided at the sole cost and expense of the successful bidder. Such successful bidder, by executing its bid, agrees to comply with all applicable provisions of Rule 15c2-12. Such successful bidder shall notify the County of the date which is the “end of the underwriting period” within the meaning of Rule 15c2-12. Copies of the Preliminary Official Statement may be obtained at the offices listed in this Official Notice of Sale under the caption “Additional Information.”

In the Ordinance, the County has committed to provide certain annual information and notices of material events as required by Rule 15c2-12 as promulgated by the Securities and Exchange Commission and as described in the Official Statement.

The successful bidder’s obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to the delivery of the Bonds, in form and substance reasonably satisfactory to the successful bidder, a copy of the continuing disclosure undertaking set forth above, which shall constitute a written agreement for the benefit of the Holders of the Bonds as required by Rule 15c2-12.

Blue Sky Laws: The County has not undertaken to register the Bonds under the securities laws of any state, nor has the County investigated the eligibility of any institution or person to purchase or participate in the underwriting of the Bonds under any applicable legal investment, insurance, banking or other laws. By submitting a bid for the Bonds, the Purchaser represents that the sale of the Bonds in states other than South Carolina will be made only under exemptions from registration or, wherever necessary, the Purchaser will register the Bonds in accordance with the securities laws of the state in which Bonds are offered or sold. The County agrees to cooperate with the Purchaser, at the Purchaser’s written request and expense, in registering the Bonds or obtaining an exemption from registration in any state where such action is necessary, but shall not be required to consent to service of process in any such state.

Legal Opinion: The County shall furnish upon delivery of the Bonds the final approving opinion of Haynsworth Sinkler Boyd, P.A., Greenville, South Carolina, which opinion shall be attached to the back of each Bond, together with the usual closing documents, including a certificate that no litigation is pending affecting the Bonds.

Initiative and Referendum: Section 4-9-1220 of the Code of Laws of South Carolina 1976, as amended, provides that within 60 days after the enactment of any ordinance authorizing the issuance of bonds which have not been approved by referendum, the repayment of which requires a pledge of the full faith and credit of a county, a petition signed by 15% of the qualified electors of the county may be filed with the Clerk to County Council requesting that any such ordinance be repealed. If such ordinance is not repealed, the question of repeal of the ordinance must be submitted to the electors within one year.

The County under Section 11-27-40(8) of the Code of Laws of South Carolina 1976, as amended, may publish a notice in a newspaper of general circulation in the County of the adoption of an ordinance authorizing general obligation bonds. In the event such a notice is published, the above initiative and referendum provision will not be applicable unless a notice, signed by not less than five qualified electors, of the intention to seek a referendum, is

filed with the Clerk to County Council and the Clerk of Court of the County within 20 days following such publication.

On _____, 2015 the County will publish notice of the adoption of the Ordinance authorizing the Bond in *The Greenville News*, a newspaper of general circulation in the County. No notice of intention to seek a referendum is expected by the County to be filed within the 20-day period. In the event, however, that such a notice of intention to seek a referendum is filed prior to _____, 2015, then the Bonds will not be delivered by the County.

Delivery: Provided that a notice, signed by not less than five qualified electors, of an intention to seek a referendum, as described in the “Initiative and Referendum” section above, has not been filed with the Clerk to County Council and the Clerk of Court of the County prior to _____, 2015, the Bonds will be delivered on or about _____, 2015, in New York, New York through the facilities of The Depository Trust Company, at the expense of the County. The balance of the purchase price then due must be paid in federal funds or other immediately available funds.

Postponement: The County reserves the right to postpone from time to time the date established for receipt of bids. The County will communicate any such change in the sale date through the Bloomberg Wire or the Bond Buyer Wire prior to the time bids are to be received. If any date fixed for the receipt of bids and the sale of the Bonds is postponed, any alternative sale date will be announced through the Bloomberg Wire or the Bond Buyer Wire at least 48 hours prior to such alternative sale date. On any such alternative sale date, any bidder may submit a sealed bid for the purchase of the Bonds in conformity in all respects with the provisions of this Official Notice of Sale, except for the date of sale and except for the changes announced through the Bloomberg Wire or the Bond Buyer Wire at the time the sale date and time are announced.

Continuing Disclosure: A description of the County’s undertaking with respect to the Continuing Disclosure Undertaking is set forth in the Preliminary Official Statement.

SECTION 11. Beneficiaries. This Disclosure Undertaking shall inure solely to the benefit of the Issuer, the Dissemination Agent, if any, the Participating Underwriter, Holders and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.
