

FY13 Waste Tire Grant Application

Application Requirements

Responses to the items below will be used to assign point values to all applications. Grant recommendations will be made based on a ranking by point value. Responses must be numbered and addressed in numerical order. Incomplete applications will not be considered.

Questions 3 – 8 apply to counties or regions only.

Regions must answer on behalf of each individual county.

AT A MINIMUM, responses must contain the following information.

1. Provide Local Government name.
2. Provide name, address, phone number, fax number and email address for project manager, Finance Director, and authorized representative (i.e. County Manager or Administrator).
3. Detail your county policy for accepting tires from residents.
 - a. Identify the locations where tires are accepted.
 - b. Explain what fees are charged, and explain when and how fees are waived.
 - c. Provide tonnage estimates projected for FY13.
 - d. Identify where and by whom the tires will be hauled, processed and recycled.
4. Detail your county policy for accepting tires from retailers of new tires.
 - a. Identify the locations where tires are accepted from retailers.
 - b. Explain what fees are charged, and when and how fees are waived. Describe required documentation; for example ST-390s, canceled checks, etc.
 - c. Provide tonnage estimates projected for FY13.
 - d. Identify where and by whom the tires will be hauled, processed and recycled.
5. Detail your county policy for accepting tires from automobile dismantlers.
 - a. Identify the locations where tires are accepted from auto dismantlers.
 - b. Explain what fees are charged, and when and how fees are waived. Describe required documentation; for example AD form 1 and 2, etc.
 - c. Provide tonnage estimates projected for FY13.
 - d. Identify where and by whom the tires will be hauled, processed and recycled.
6. Detail your county policy for accepting tires from other businesses.
 - a. Identify the locations where tires are accepted.
 - b. Explain what fees are charged, and when and how fees are waived.
 - c. Provide tonnage estimates projected for FY13.
 - d. Identify where and by whom the tires will be hauled, processed and recycled.
7. Please indicate source of County policy: i.e., Public Works Division Internal Policy, County Solid Waste Management Plan, County ordinance, etc.

8. Describe your current contract(s) for recycling waste tires, or if no contract is in place, provide a description of how a contract would be solicited and awarded.
9. If transportation is handled separately from recycling, provide a description of your current contract(s) for transportation of waste tires, or if no contract is in place, provide a description of how a contract would be solicited and awarded.
10. Specify amount requested for contractor costs to manage current generation tires. Please complete and attach Tire Fee Worksheet. "Current generation" tires are those generated by county residents or businesses on an ongoing basis. Current generation expenses may be requested by county governments only.
11. Specify amount requested for stockpile remediation (prior approval needed).
12. Specify amount requested for professional development, not to exceed \$750. Reminder: All Professional Development must be pre-approved prior to travel.
13. Detail your education/outreach activities to promote waste tire recycling.
 - a. Provide an overview of the education/outreach activities that will be used to promote recycling and waste tire recycling in your service area.
 - b. Specify amount requested for public education, not to exceed maximum allowable.
 - Population < 50,000: Max. award \$1,000;
 - Population 50,000 to 100,000: Max. award \$2,000;
 - Population > 100,000: Max. award \$3,000.

Reminder: All educational materials (i.e. advertisements, promotional items, brochures, etc.) must be pre-approved prior to purchase, development or broadcast.
14. Specify amount requested for other direct costs. Include a detailed description of all goods and services requested. Requests lacking a clear detailed description will not be funded. Include descriptive literature and/or photos as applicable.
