Describe your understanding of the role of a member of the board or commission to which you are applying

In this position I would leverage my knowledge and expertise in economic development, engineering, energy and governemantal activities to advance the interests of SCTAC as a premier commercial/industrial/technology center in the State.

As a board member I will weigh in on specific projects and guide management in the development of both strategic and tactical goals targeted at attracting business that are a positive fit for the SCTAC, the County, and its citizens.

Have you ever attended a meeting of this board or commission?

Yes No

Are you available to meet at the regularly scheduled date and time of the board or commission meeting?

Yes No

If appointed, will you pledge to faithfully attend the meetings?

Yes No

How many hours/week are you available to give to this board of commission?

1-2

What specific skills do you believe you could contribute as a member of this board or commission?

My role at Piedmont Natural Gas involves working with both existing commercial/industrial customers and ED prospects to insure that we, along with our economic development partners, are creating an enviroment where business grows. I also have extensive knowledge of customer utility needs and can leverage resources that Piedmont has in promoting development. I am also quite sensitive to quality of life issues that are becoming more important in attracting business and a talented
