Memorandum

TO: Ms. Ruth Parris
FROM: Jeff Ward
SUBJECT: 2011 SHSP (11SHSP01)
DATE: April 24, 2012

The Sheriff's Office has received \$80,000 from SLED from Homeland Security for the purchase of WMD SWAT Team equipment. Specifically, we are approved to purchase personal protective equipment and breaching equipment. None of the equipment is Capital Equipment (\$5,000 per item).

We consider this equipment list to be sensitive in nature. The transmission of the items, type or name of the equipment, could potentially allow it to be defeated if know by the general public.
