Subject: Commissioning of Emergency Medical Officer

Date: August 7, 2012

This memo is a request for the commissioning of Greenville County EMS Paramedic, Joshua Ellis Brown to serve as member of the Greenville County Sheriff's Office Swat Team as an emergency medical officer.

Mr. Brown has met all the necessary requirements for commissioning under the Code of Laws of the State of South Carolina. He has been subjected to the required background investigation, undergone rigorous testing and is scheduled to attend the South Carolina Criminal Justice Academy to complete Academic requirements for certification.

The attached document outlines the requirements for the commissioning of law enforcement personnel under County Ordinance 2114, and will require the signature of County Council. Once we are notified that the attached document has been executed, I will be pleased to commission this individual.
