Re: Dunean Community Plan

Dunean Community Plan

Over the past year and a half, community residents, stakeholders, planners, and public officials participated in a series of meetings to create the Dunean Community Plan.

The Dunean Community Plan is a statement of the community's vision and seeks to address both the immediate concerns and long-term goals of the community. The plan provides direction for community leaders, stakeholders, and the development community and serves as a guide for where and how future development should occur.

Therefore, staff is requesting that County Council hold a public hearing on October 14, 2013 to consider the Dunean Community Plan as an amendment to the County's Comprehensive Plan

A copy of the plan is located on the Greenville County Planning website under Current Projects: <http://www.greenvillecounty.org/gcpc/>
