Dear County Councilman:

On behalf of the Slater Marietta Fire Department we are requesting community event funding, in the amount of \$3,500.00, to support the 2013 Slater Marietta Christmas Parade. We are hoping this year's parade can be a success with your support. This year we would also like to have the power poles wired so that we can plug this Christmas lights in to light up the community during the holiday season. Duke energy now requires that each pole be wired with plug in ground faults which are presently not there; with the support of the county we hope to be able to accomplish this for the community. Please make checks payable to the Slater Marietta Fire Department and from there the fire department will disperse the funds to the parade committee, we would like to thank you in advance for you time and dedication to the communities and look forward to working with you all in the future.

Sincerely,

Captain Wes Nix
