Greenville County Council finds that certain officers need to be commissioned as Law Enforcement Officers for Greenville County.

Section Two. Procedures. The Sheriff of Greenville County, through his cooperation and agreement, shall commission the employees referred to him, pursuant to his authority to commission law enforcement officers.

Section Three. Qualifications. All employees who are presently commissioned or who within the past six months were commissioned by the State shall be immediately eligible, upon the approval of County Council for the referral and commissioning by the Sheriff.

Section Four. Effect of Authority. This ordinance shall not be construed to limit, alter, change, encumber, or otherwise affect the duties, or the authority of the Sheriff of Greenville County.
