b. Benefit project will provide the Community:
The Market has grown from app. 15 vendors per week to over 50 vendors per week selling fresh, locally grown produce, trees, plants, fresh baked goods, art and more. There are approximately 2000 shoppers weekly coming to the market, drawing people from all over the area. The Market brings many out-of-town visitors weekly, many who stay and dine and shop in Travelers Rest. The Market also draws customers from the Swamp Rabbit Trail just across the street from the Market. We have had many comments from visitors who say they really love the Market and have been very complimentary to those who started the Market and those who make it happen every week. We are proud for what has been accomplished and thankful to the City of Travelers Rest for building the pavilion for the Market.
