## **Grant submission for ASPCA 2014 Mega Match-a-Thon**

### **Grant Amount Requested:**

\$10,000

### **Grant Project Title:**

ASPCA 2014 Mega Match-a-Thon Nationwide Shelter Pet Adoption Event

### **Grant Project Description:**

The requested \$10,000 in grant funding will be used to host a Midnight Madness "PAW-jama Party" at the Greenville County Animal Care complex. The shelter adoption center will open on Saturday, October 18 at 11:00AM and remain open through 12:00AM on October 19. Animal Care has proven ability to hold large-scale adoption events. At last year's Mega Match-a-Thon, 152 animals found homes. This year, the goal will be to save 175 animals at the event.

To reach this goal, Animal Care requested \$8,670 from ASPCA to make ready 100 cats and kittens, 45 large adult dogs, and 30 small dogs and puppies for adoption. "Make ready" costs include spay-neuter, vaccinations, microchip and registration, heartworm or FeLV/FIV testing, and general deworming. Animal Care also requested \$750 for event billboard advertising, \$340 to purchase collars and ID tags so every animal leaves with proper identification, and \$240 for food and beverages for event volunteers and attendees.
