

Greenville County Council

**Joe Dill
Council District 17**

MEMORANDUM

TO: Chairman Taylor and Council Members

FROM: Councilor Joe Dill

DATE: April 2, 2015

Greenville County operates Twin Chimneys Landfill in southern Greenville County. Although this facility is relatively new, it has a finite amount of space and at some point in the future it will fill up with garbage.

There have been reports of Greenville County possibly accepting out-of-state waste at the Twin Chimneys Landfill. Taking this factor into consideration, I will be making a motion at the Committee of the Whole on April 7, 2015 to prohibit Greenville County from accepting out-of-state waste at the Twin Chimney's landfill.
