Federal law prohibits any person or company from knowingly submitting false or fraudulent claims or statements to a federally funded program, including false claims for payment or conspiracy to get such a claim approved or paid. The False Claims Act, 31 U.S.C. §3729-3733, and other "whistleblower" statutes include remedies for employees who are retaliated against in their employment for reporting violations of the Act or for reporting fraud, waste, abuse, or violations of law in connection with federal contracts or grants, or danger to public health or safety. Under State law, persons may be criminally prosecuted for false claims made for health care benefits, for Medicaid fraud, for insurance fraud, or for using a computer in a fraud scheme or to obtain money or services by false representations. Additional information regarding the federal and State laws prohibiting false claims and DHEC's policies and procedures regarding false claims may be obtained from the DHEC's Contracts Manager or Bureau of Business Management.

Any employee, agent, or contractor of DHEC who submits a false claim in violation of federal or State laws will be reported to appropriate authorities.

Contractor is required to inform Contractor's employees of the existence of DHEC's policy prohibiting FWA and the procedures for reporting FWA to the agency. Contractor must

also inform Contractor's employees, in writing, of their rights and remedies under 41 U.S.C. §4712 concerning reporting FWA or violations of law in connection with federal contracts or grants, or danger to public health or safety, in the predominant native language of the workforce.

Office of Internal Audits  
2600 Bull Street  
Columbia, SC 29201

Entities which are audited as part of the State of South Carolina Statewide Single Audit are not required to furnish a copy of that audit report to DHEC's Office of Internal Audits.

Non-federal entities that expend less than \$750,000 a year in total federal awards, from all sources, are exempt from the Federal audit requirements of OMB Circular A-133 for that year, but records must be available for review or audit by appropriate officials of the federal agency, pass-through entity, and General Accounting Office (GAO).

A contractor (subrecipient) is prohibited from charging the cost of an audit to federal Awards if the contractor expended less than \$750,000 from all sources of federal funding in the contractor's fiscal year.
