APPLICATION FOR COUNCIL GRANT ASSISTANCE WITH LIFE SAFETY WATER LINE INSTALLATION

Applications will be based on health and life safety issues that include contaminated/non-potable wells, dry wells and fire protection. Greenville County Public Works Department, Engineering Division, will take applications for Council Grant Assistance with Life Safety Water Line Installation. Applications will be reviewed and scored by the Facilities Project Manager, Assistant County Administrator for Public Works, and the Engineering Division for completeness and criteria and will be submitted to Public Works, Planning and Development Committee for consideration on a first come, first serve basis.

This is a 50/50 grant program; therefore, the County of Greenville, upon approval by County Council, will provide 50% and the applicant will provide the other 50% for the installation of the water main and/or fire hydrant down the public road. The applicant has 60 days to secure their portion of the funding and remit to the County of Greenville. The respective property owners are responsible for the tap/meter fee and connection to the dwelling.

Applicant's Name David Drummond Phone Number 834-5887
Street Address 200 Wild Orchard Rd
Mailing Address (if different) _____

Specific detailed information concerning this request:

- What type of assistance is needed fermainical, fire hydrants, water line extension/upgrade
- Why the assistance is needed contaminated wells (heavy levels of iron, wells drying up) Fire protection
- **Letter, certifying need, is attached from** _____
- Name of Water System: _____
- Name of Fire District: North Greenville Fire department
- Additional statement of information: Water line to be installed 200 Wild Orchard Rd to the end of the road at 296 Wild Orchard Rd.

I (We) understand that we are responsible for the tap/meter fee and connection to the dwelling.

To whom it may concern: I recommend the installation of fire hydrants in the North Greenville Fire District. Currently there are large areas in our district with no fire hydrants and we rely on a tanker to provide water to the residents of these locations. With the installation of more hydrants it would greatly increase our ability to protect the surrounding community by providing a closer source of water and also freeing up a firefighter that would be handling water shuttle otherwise.

Chief Lee Kelly

Re: Wild Orchard Road Partnership

Dear Paula,

It was a pleasure meeting with you last week and discussing the line extension partnership between our two entities. I am glad we are continuing to partner in the \$30 per foot water main extension program to provide water to the residents of Greenville County.

This letter is to request your department move forward in obtaining Greenville County funding for the \$15 per foot matching program for the 2,140 feet of water line installation for the residents of Wild Orchard Road in Travelers Rest. There are eight homeowners who have signed contracts with Greenville Water and are ready to move forward with the project. The homeowner's have agreed to pay their upfront fees and to have \$25 per month added to their water bill to satisfy their portion of the matching program.

If you have any questions or need more information, please contact me at (864) 241-6004. I look forward to hearing from you soon.

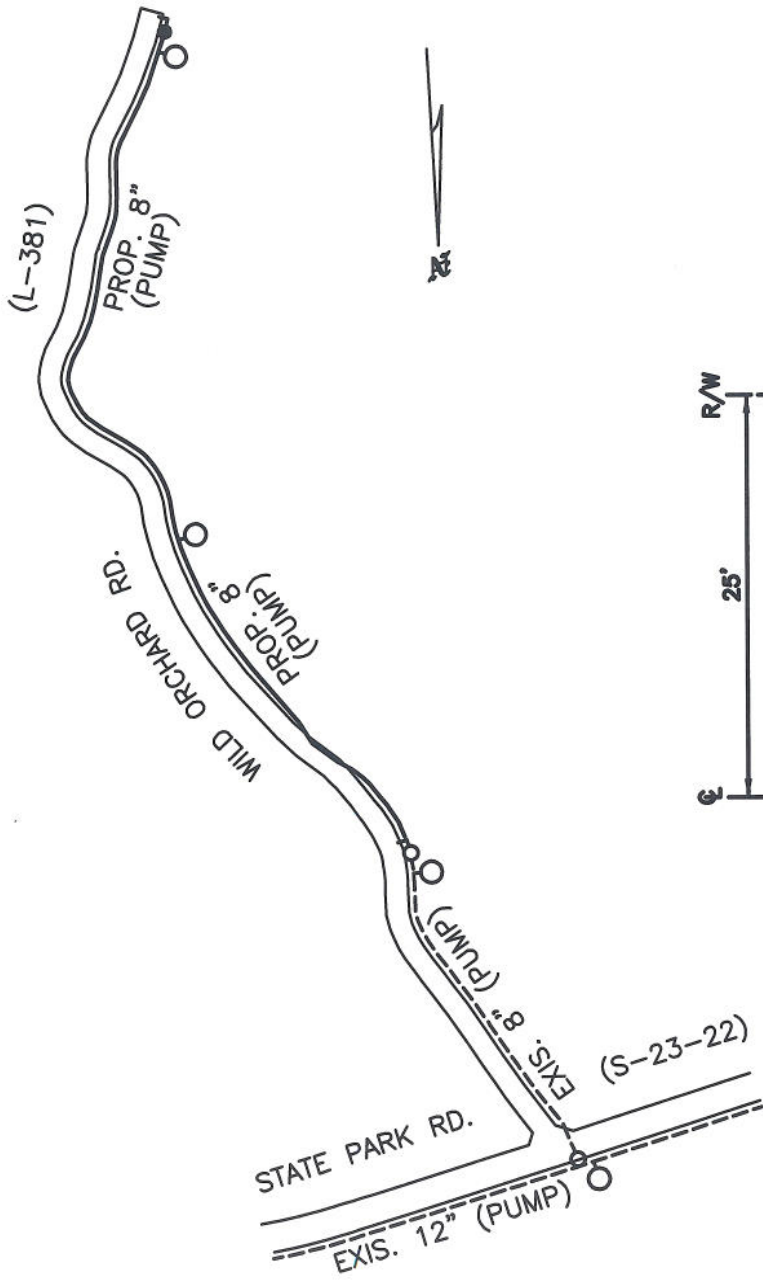

Sincerely,

GREENVILLE WATER

David H. Bereskin, P.E.
