Staff Report	<p>The subject parcel is 48.9 acres of property located on Emily Lane approximately 3 miles southwest of the intersection of Augusta Road and I-185. The parcel has approximately 560 feet of frontage along Emily Lane and 2,900 feet of frontage along Furr Road.</p> <p>The applicant is requesting to amend the zoning from R-12 to R-15, Single-Family Residential. The current zoning of R-S, Residential Suburban is intended for single-family residences. Recent developments in the area such as Laurel Trace and Southpark have similar density and lot size to the requested R-15, Single-Family Residential.</p> <p>The applicant states the proposed land use is for Single-Family Residential.</p> <p>It is staff's opinion that the amended R-15 zoning is an appropriate requested zoning and would be consistent with the surrounding density in the area. The amended zoning request is also consistent with the recommended residential land use in Greenville County's Imagine Greenville Comprehensive Plan.</p> <p>Based on these reasons, staff recommends approval of the requested rezoning to R-15, Single-Family residential.</p>					
P&D Committee	Return to Planning Commission to reconsider the zoning category to better match the proposed density.
