

South Greenville Fire District

Accomplishments Since 2001

2001-2015 - We had 21 personnel in 2001. Currently we have 78 personnel.

2003 - Replaced Engine 4 and Engine 5 and replaced a Battalion Vehicle.

2004-2005 - Built a new Station 5.

2006 - Remodeled Headquarters Station.

2006 - Lowered ISO rating from a 5 to a 4.

2007 - Replace Engine 2 and add a Heavy Rescue truck

2008 - Added a 3000 gallon Tanker to our fleet. We also upgraded all of our SCBA breathing Air Equipment.

2009 - Built a new Station 3 and added a new Engine

2009 - Lowered ISO rating from a 4 to a 3.

2010 - Added a new Station 7, added two new Chief vehicles and a Battalion vehicle.

2011 - Replaced all Firefighters' Turnout Gear.

2012 - Replaced all radios in all vehicles and hand held, replaced all AED defibrillators on all first response vehicles and add two LifePak monitors

2013 - Hired a Vehicle Mechanic and added a QRV with a Paramedic and EMT to partnership with Greenville County EMS to offer enhanced service to our community.

2014 - Replaced all Firefighters' Turnout Gear, bought a new 79' Ladder Truck, added a new Station 8 and added a second Battalion vehicle.

2015 - Established automatic aid agreements with Piedmont FD, Gantt FD, Mauldin FD, Belmont FD and Anderson County. Replaced Chiefs' vehicle. Bought a trailer with Trench Rescue Equipment for Trench Rescue calls. Partnered with American Red Cross to do a smoke detector blitz in our area where we provided smoke detectors and installed them for people in our community.
