Describe your understanding of the role of a member of the board or commission to which you are applying

With my experience with the Chanticleer Community Association, I have worked very closely with the Chanticleer Tax District.

We have hosted joint neighborhood meetings, and I have been in constant communication with the members during my tenure as President. I feel it is time for me to switch from the "social" side of our neighborhood representation to a more active role in the management of our tax dollars and our neighborhood security.

What specific skills do you believe you could contribute as a member of this board or commission?

I have been managing large amounts of money through the South Carolina Children's Theatre and the Junior League of Greenville, and I feel that my background in budgeting and finances will be beneficial to the Commission. I also currently manage the Chanticleer neighborhood website and feel that this could be better used to serve as a platform of transparency and communication within the Tax District. I have lived in Chanticleer for 13 years.
