Determine how to best use the money and resources within Greenville County to help those that struggle with substance abuse, as well as providing support to their families.

**What specific skills do you believe you could contribute as a member of this board or commission?** \_\_\_\_\_

My husband struggles with alcohol issues. Almost all of my husband's family struggles with addiction & several of my family members do as well. My daughters have friends with parents that are addicts. I have seen first-hand the chaos that drugs and alcohol cause in families. I have witnessed how having money makes a huge difference in overcoming addiction & I would love to be able to see people of lesser means get the same help as those with more money.
