Describe your understanding of the role of a member of the board or commission to which you are applying

This committee is responsible for authorizing/allocating the funds raised through the STD to the maintenance of our neighborhood entrances, to include landscaping, lighting, signage and any threat to public safety.

What specific skills do you believe you could contribute as a member of this board or commission?

I have lived in Terra Pine since 1972, have been president of the community, started the Garden Club back in the "8-'s, worked on the architectural review committee and worked on canvassing the neighborhood to share the facts with my neighbors about the Special Tax District. I collected the signatures of those willing to vote in favor of participating in the STD. Through hard work, we collected the necessary signatures needed to allow us to be part of this county service.
