APPLICATION FOR COUNCIL GRANT ASSISTANCE WITH LIFE SAFETY WATER LINE INSTALLATION

Applications will be based on health and life safety issues that include contaminated/nonpotable wells, dry wells and fire protection. Greenville County Public Works Department, Engineering Division, will take applications for Council Grant Assistance with Life Safety Water Line Installation. Applications will be reviewed and scored by the Facilities Project Manager, Assistant County Administrator for Public Works, and the Engineering Division for completeness and criteria and will be submitted to PublicWorks, Planning and Development Committee for consideration on a first come, first serve basis.

This is a 50/50 grant program; therefore, the County of Greenville, upon approval by County Council, will provide 50% and the applicant will provide the other 50% for the installation of the water main and/or fire hydrant down the public road. The applicant has 60 days to secure their portion of the funding and remit to the County of Greenville. The respective property owners are responsible for the tap/meter fee and connection to the dwelling.

Re: Water Availability - Old Cleveland Road - Tax Map # WG07000201500

Dear Mr. Nations:

This refers to your request for an estimate for a water main extension to serve the above referenced property.

According to our measurements, a water main could be extended 600 feet along Old Cleveland Road to serve the property. The applicant is required to advance funds for a water main installation at \$30 per foot under a standard Installation Agreement with the Commission. Accordingly, your project cost would be 600 feet at \$30.00 per foot for a total of \$18,000. Price and policy are subject to change without notice.

In addition to the cost of the main extension, the requesting party must pay standard connection fees to Greenville Water (see <http://www.greenvillewater.com/development-fees/>) and all applicable plumbers' fees.

Please contact us at your earliest convenience if you would like to proceed with this project.

If we can be of further assistance, please let us know.

Sincerely,
GREENVILLE WATER

Dear Mr. and Mrs. Nations,

It was a pleasure to speak with this morning regarding a water line grant application. Please find enclosed the application for Council Grant Assistance with a water line installation. Included are the policies and procedures, the application and council process.

The program provides a 50% match in funding for the cost of the installation of the main line on the road. The tap and meter and connection to the residence are the responsibility of the property owner.

Please complete the enclosed application and return to me via email or regular mail. If there are others that are interested in pursuing water in this area, please include a list of the names and addresses of those residents with the application. My email is pgucker@greenvillecounty.org and my mailing address is 301 University Ridge, Suite 3800, Greenville, SC 29601. If you have any questions after reviewing the enclosed information please feel free to contact me at 467-7007. I look forward to working with you on this project.

Sincerely,

Paula G. Gucker
