Staff Report	The subject parcel zoned C-1, Commercial, is 1.16 acres of property located on Allen Street approximately 0.5 miles southeast of the intersection of Anderson Road and South Washington Avenue. along West Simpson Street and 280 feet of frontage along West Faris Road. The applicant is requesting to rezone the property to C-1, Commercial.

The applicant states the proposed land use is for retail.

Located on the edge of the Dunean Community, the subject site originally zoned for residential in 1973 has been zoned and used for commercial or service type land uses since 1989. There is currently vacant office on the property with a warehouse to the east, a fire station to the north and a convenience store and gas station to the south. The entire block is zoned C-1, Commercial or S-1, Services. Due to its close proximity to residential, C-1, Commercial zoning would be a more appropriate zoning for this area than the parcel's current zoning. Staff believes rezoning this parcel will have minimal impact on the surrounding community and will be more consistent with surrounding zoning.

Based on these reasons staff recommends approval of the requested rezoning to C-1, Commercial.
