Staff Report	<p>The subject parcel zoned R-12, Single-Family Residential, is 1.21 acres of property located on Old Spartanburg Road approximately 0.45 miles southwest of the intersection of Old Spartanburg Road and Brushy Creek Road. The parcel has approximately 260 feet of frontage along Old Spartanburg Road. To the north of the subject site, across Old Spartanburg Road, R-M5, Multifamily Residential zoning is present with a max of 5 units per acre. On the same side of the requested rezoning along Old Spartanburg Road, a recreational facility zoned R-12, Single-Family Residential with a max of 3.6 units per acres is present to the west and south of the subject site. To the east of the subject site is a residential development, Eastgate Village, which is zoned PD, Planned Development with a density of 2.73 units per acres. Staff is of the opinion the requested R-M10, Multifamily Residential rezoning with a max of 10 units per acres would not be consistent with the abutting densities. The requested rezoning is also not consistent with the Greenville County Comprehensive Plan which recommends Residential Land Use 2 with a density of 3 to 6 units per acre.</p> <p>Based on these reasons staff recommends denial of the requested rezoning to R-M10, Multifamily Residential.</p>
