Staff Report	<p>The subject parcel zoned PD, Planned Development, is 7 acres of property that will be located on Odell Street approximately 1.75 miles southwest of the intersection of Pelham Road and Highway 14. The applicant is requesting a major change to the PD, Planned Development. The proposal is an additional mixed use area shown in the Statement of Intent (SOI) and concept plans as Mixed Use Area 3, MU-3.</p> <p>The applicant is requesting that a portion of the parcels, totaling 7 acres, be changed to allow the newly proposed Mixed Use Area 3, MU-3. This proposed MU-3 would contain a “boutique” inn not to exceed 70,000 square feet. These buildings would contain: guest rooms, suites, cottages, restaurant, day spa, ballroom, and corporate meeting rooms. The inn is to adjoin with the existing Hartness family home, and with similar architectural scale and character. The access to the portion of the proposed MU-3 area will be internally via Odell Street and Alester Square Extension.</p> <p>All lighting will be in accordance with the Hartness Pattern Book and Architectural Design Guidelines. Commercial building exterior lighting will consist of wall-mounted fixtures (sconces, lanterns, etc.) that are consistent with the architectural design of the building. Monument and way-finding signage will be used in the MU-3 tract.</p> <p>The proposed inn will be two stories tall on the front elevation and three stories on the rear (facing the ponds) with the top of the parapet wall being 32 feet. The restaurant and detached cottages are all one story buildings.</p>					

Zoning Docket from April 16, 2018 Public Hearing

	<p>The proposed MU-3, Mixed Use Area is consistent with the overall purpose of the Hartness PD. The proposed buildings, signage, lighting, and architectural features will be consistent with the Hartness development. The allowable uses are complimentary to the live, work, and play community concept. Appropriate buffering and transition of uses are provided for existing homes within the PD adjacent to this area.</p> <p>Based on these reasons staff recommends approval of the requested Major Changes to PD, Planned Development.</p>
