Staff Report	<p>The subject parcel zoned R-15, Single-Family Residential is 7.37 acres of property located on Yown Road approximately 0.65 miles west of the intersection of White Horse Road and Old Easley Bridge Road. The parcel has approximately 300 feet of frontage along Yown Road. The applicant is requesting to rezone the property to R-S, Residential Suburban.</p> <p>The applicant states the proposed land use is for suburban farm animals (sheep, goats, chickens).</p> <p>This 7.37 acres site is currently zoned R-15, Single-Family Residential. Earlier this year, the applicant was cited with a notice of violation for the use of farm animals on the applicant's property. The use of farm animals is permitted in R-R3 and R-R1, Rural Residential; R-S, Residential Suburban; and R-20A, Single-Family Residential. Staff is of the opinion rezoning this parcel to R-S, Residential Suburban would be a more appropriate zoning for the size of this 7.37 acre lot, and would be a more restrictive use. Staff believes the requested rezoning will have minimal impact on the surrounding neighborhood.</p> <p>Based on these reasons staff recommends approval of the requested rezoning to R-S, Residential Suburban.</p>
