| <b>Staff Report</b>    | <p>The subject parcel zoned R-7.5, Single-Family Residential, is 0.28 acres of property located on 10<sup>th</sup> Street approximately 0.9 miles northeast of the intersection of Anderson Road and South Washington Avenue. The parcel has approximately 95 feet of frontage along Hawkins Street and 150 feet of frontage along 10<sup>th</sup> Street. The applicant is requesting to rezone the property to R-6, Single-Family Residential.</p> <p>The applicant states the proposed land use is for residential, single family.</p> <p>The Judson Community existed prior to zoning in 1973, with an average lot size ranging from 6,000 square feet to 8,000 square feet. The applicant is requesting to rezone to R-6, Single-Family Residential. Staff believes rezoning this parcel to R-6, Single-Family Residential would be appropriate based on the surrounding lot sizes located in the Judson area. It is also consistent with the Judson Community Plan, identifying this parcel as an area for Potential Housing Infill.</p> <p>Based on these reasons staff recommends approval of the requested rezoning to R-6, Single-Family Residential.</p> |          |            |                     |                    |   |
