Staff Report	<p><b>ANALYSIS:</b></p> <p>There has been an existing warehouse on the site and to the east and west of the subject site as far back as 1997. There are no new road improvements planned for New Circle Road. The subject site is located near a Neighborhood Corridor, located on Geer Highway. Neighborhood Corridors are predominantly residential in form and function but do allow for some limited nonresidential use. Traffic speeds in this corridor are very slow for safety and convenience. Given the low volume and speed, access is largely unmanaged.</p> <p><b>SUMMARY:</b></p> <p>The subject parcel zoned C-2, Commercial, is 2.8 acres of property located on New Circle Road approximately 0.8 miles south of the intersection of White Horse Road Extension and Geer Highway. The parcel has approximately 285 feet of frontage along New Circle Road. The applicant is requesting to rezone the property to S-1, Services.</p> <p>The applicant states the proposed land use is for an auto repair facility.</p> <p>The subject site was first successfully rezoned to C-2, Commercial in 1985 and currently contains a warehouse. The subject site is surrounded by C-2, Commercial, S-1, Services and I-1, Industrial zoning with warehouses and vacant wooded land uses. Staff believes rezoning this property to S-1, Services would be consistent with the existing and surrounding zoning.</p> <p>Based on these reasons staff recommends approval of the request rezoning to S-1, Services.</p>
