Subject: Water Main Extension Request - Georges Hideaway

Re: Georges Hideaway
Tax Map 0551010105500

Dear Ms. Finnell:

This refers to your request for an estimate for a water main extension to serve the above referenced property.

According to our measurements, a water main could be extended 310 feet along Georges Hideaway to serve the property. The applicant is required to advance funds for a water main installation at \$30 per foot under a standard Installation Agreement with the Commission. Accordingly, your project cost would be 310 feet at \$30.00 per foot for a total of \$9,300. Price and policy are subject to change without notice.

In addition to the cost of the main extension, the requesting party must pay standard connection fees to Greenville Water (see <http://www.greenvillewater.com/development-fees/>) and all applicable plumbers' fees.

Please contact us at your earliest convenience if you would like to proceed with this project.

If we can be of further assistance, please let us know.

Sincerely,

Susan Overstreet
