Dear Sir:

It has come to our attention that Greenville County is proposing to sell the **Old TR Summary Court**, at 114 N. Poinsett Highway, in Travelers Rest. We currently own lots contiguous to (on both sides of) that property.

We would like to submit a bid of **\$202,000** to purchase the **Old TR Summary Court (Greenville County Tax Parcel #049000-04-0222.02)**.

Proposal: Our middle son, Greg Patton, who teaches art at Slater-Marietta Elementary School, and who is also a potter, would like to convert a portion of the TR Summary Court Building into an Art/Cultural Center, where art could be displayed and art classes taught.

We realize that renovation, and other improvements, will involve other resources and we are prepared to make those investments, as well. We have more than adequate financial assets to purchase and improve that property, and for its upkeep.

Our family has lived in South Carolina for almost 45 years, and in Travelers Rest, since 1985. We have been impressed by recent growth in our area and pleased with many of the amenities which have enhanced our town.

Thank you for considering our offer.

Sincerely,

  
Harlan R. Patton Chantal A. Patton
