Zoning Docket from June 18, 2018 Public Hearing

GCPC	At the June 27, 2018 Planning Commission meeting the Commission members denied the request due to the increase in density would put a hardship on the current infrastructure.
P&D Committee	At the July 16, 2018 Planning and Development meeting, Chairman Ballard requested that since there was a tie vote and did not like the idea of sending it forward without a recommendation, he requested to hold CZ-2018-44 until the next meeting. Planning and Development Committee approved a hold unanimously for CZ-2018-44 until the next meeting.
P&D Committee	At the July 30, 2018 Planning and Development meeting the Planning and Development Committee held CZ-2018-44 until the next meeting per the applicants request.

Location of Traffic Count	Distance to Site	2011	2014	2017
Ashmore Bridge Road	6,140' N	7,000	6,700 -4.3%	7,500 +12%

ANALYSIS: Standing Springs Road is a 40 foot wide road, with two twenty feet lanes. There are no Long Range Transportation Plans projects shown for Standing Springs Road. Traffic

issues may be a major concern at subdivision such as; capacity, traffic, and safety at Antioch Church Road and/or along Fork Shoals Road.

The subject site is a part of the South Greenville Area Plan designated as Suburban Residential. This category represents the typical single-family subdivision that one regularly finds in suburban areas. These developments typically have both public water and sewer. Suburban Residential calls for a ranging density of two to four units per acre.

SUMMARY:

The subject parcel zoned R-S, Residential Suburban, is 64.8 acres of property located on Standing Springs Road approximately 0.65 miles south of the intersection of Ashmore Bridge Road and Standing Springs Road. The parcel has approximately 1,410 feet of frontage along Standing Springs Road. The applicant is requesting to rezone the property to R-12, Single-Family Residential.

The applicant states the proposed land use is for single family home subdivision.

CONCLUSION:

The subject site is located in an area that was once rural, but has seen major development in the past few years. The surrounding zoning and land uses consist of multifamily, single family residential and vacant wooded land uses. Staff is of the opinion that the requested rezoning is appropriate for this area and consistent with the surrounding zoning and land uses. The requested rezoning is also consistent with the South Greenville Area Plan.

Based on these reasons staff recommends approval of the requested rezoning to R-12, Single-Family Residential. The Planning Commission recommended denial.
