From: Tina Belge, Long Range Planner

Date: May 30, 2019

Subject: Monaghan Community Plan

Over the past year and a half, numerous community residents, stakeholders, public officials, and county staff participated in a series of community meetings, task force meetings, and other public input sessions to develop the Monaghan Community Plan.

The Monaghan Community Plan reflects the Monaghan Community's vision for its future and identifies goals and objectives in five focus areas. These focus areas are: Engagement/Grants & Fundraising, Beautification, Crime & Codes Enforcement, Recreation, and Communications. The plan provides direction for community leaders and stakeholders and serves as a guide for future development and redevelopment.

Therefore, staff is requesting that the Planning & Development Committee allow staff to send this plan to a public hearing to initiate the adoption process as an amendment to the Greenville County Imagine Greenville Comprehensive Plan.

A copy of the plan is available on the Greenville County Long Range Planning website at www.gcplanning.org
