MEMORANDUM

DATE: October 29, 2019

TO: Committee on Public Works and Infrastructure

VIA: Paula Gucker, Assistant County Administrator for Community Planning, Development & Public Works

FROM: Hesha Gamble, P.E., PTOE, County Engineer

SUBJECT: Acceptance of Hala Court (L-PD-157)

Hala Court was designed and reviewed as a public road; however, was accepted and platted as a private road in 2012 due to objections from Greenville Water System with regards to the location of their private water lines. Recently, upon request from the homeowners of the Eastview subdivision, Greenville Water recently installed newer water mains on State Park Road that serve this subdivision. They conducted an in-depth assessment and field review of the water line locations and have confirmed that the existing service lines do not run in the roadway. This allows for the road to now be accepted for maintenance by Greenville County.

Staff is requesting Council's approval to accept maintenance of the entire length of Hala Court (L-PD-157) and a motion to proceed with a public hearing.
