APPLICATION FOR COUNCIL GRANT ASSISTANCE WITH LIFE SAFETY WATER LINE INSTALLATION

Applications will be based on health and life safety issues that include contaminated/non-potable wells, dry wells and fire protection. Greenville County Public Works Department, Engineering Division, will take applications for Council Grant Assistance with Life Safety Water Line Installation. Applications will be reviewed and scored by the Facilities Project Manager, Assistant County Administrator for Public Works, and the Engineering Division for completeness and criteria and will be submitted to Public Works and Infrastructure Committee for consideration on a first come, first serve basis.

This is a 50/50 grant program; therefore, the County of Greenville, upon approval by County Council, will provide 50% and the applicant will provide the other 50% for the installation of the water main and/or fire hydrant down the public road. The applicant has 60 days to secure their portion of the funding and remit to the County of Greenville. The respective property owners are responsible for the tap/meter fee and connection to the dwelling.

Applicant's Name Marty Satterfield Phone Number 864-901-8227

Street Address 731 Circle Rd, 707 & 709 Circle Rd.

Mailing Address (if different) Greenville, SC 29651

This project also includes 707, 709 Circle Rd. (Debra Ivester and Wayne Satterfield)

Specific detailed information concerning this request:

- What type of assistance is needed Connect to Greenville water system to have city water we have no fire safety on/near our address
- Why the assistance is needed Due to fire safety- No fire hydrants near our home.
- **Letter, certifying need, is attached from** Pelham Batesville Fire Department
- Name of Water System: Greenville water system
- Name of Fire District: Pelham Batesville Fire Department
- Additional statement of information: _____

I (We) understand that we are responsible for the tap/meter fee and connection to the dwelling.

Tax Map 0531020100402 & 0531020100403 & 0531020100404 & 0531020100401

Dear Ms. Gucker:

This refers to your request for an estimate for a water main extension to serve the above referenced property.

According to our measurements, a water main could be extended 580 feet along Circle Road to serve the property. The applicant is required to advance funds for a water main installation at \$35 per foot under a standard Installation Agreement with the Commission. Accordingly, your project cost would be 580 feet at \$35.00 per foot for a total of \$20,300.00. Price and policy are subject to change without notice.

In addition to the cost of the main extension, the requesting party must pay standard connection fees to Greenville Water (see <http://www.greenvillewater.com/development-fees/>) and all applicable plumbers' fees.

Please contact us at your earliest convenience if you would like to proceed with this project.

If we can be of further assistance, please let us know.

CAUTION: This email is from an EXTERNAL source. Ensure you trust this sender before clicking on any links or attachments.

I have the funding to do this one and the application. Can you provide me with a new estimate adding on to the original one to include 707 and 709 Circle Road please.

Thank you

Paula

Re: Circle Road
Tax Map 0531020100403

Dear Mrs. Satterfield:

This refers to your request for an estimate for a water main extension to serve the above referenced property.

According to our measurements, a water main could be extended 463 feet along Circle Road to serve the property. The applicant is required to advance funds for a water main installation at \$40 per foot under a standard Installation Agreement with the Commission. Accordingly, your project cost would be 463 feet at \$40.00 per foot for a total of \$18,520.00. Price and policy are subject to change without notice.

In addition to the cost of the main extension, the requesting party must pay standard connection fees to Greenville Water (see <http://www.greenvillewater.com/development-fees/>) and all applicable plumbers' fees.

Please contact us at your earliest convenience if you would like to proceed with this project.

If we can be of further assistance, please let us know.

Subject: Water Main Extension Request - 731 Circle Rd

To whom it may concern:

The following is in response to your request for water service at 731 Circle Rd Greer, SC . According to our map (please see attached), the property you have requested service for would be approximately 460 ft away. We charge anywhere from \$30-\$50/ft to extend water mains. The county has a grant program to pay half of the cost of a main extension for people requesting main extensions due to several things such as; health concerns, limited fire coverage, a dried up well. If you don't mind me asking your reason for wanting water service I could help point you in this direction. Also, if you

Marty Satterfield
731 Circle Rd
Simpsonville, SC 29681

Mrs. Satterfield:

Good afternoon. Hope all is well.

I have investigated your concern regarding the waterline on Circle Rd and also the information sent to me by the Greenville Water System. The waterline on your end of Circle Rd stops at 804 Circle Rd. The closest hydrant to your location is at 541 Anderson Ridge Rd and measures over 1800'.

I see it as being beneficial to have that line extended and a hydrant being placed on it. This will aid us in the event of a fire to those existing structures and to any structures to be built on Circle Rd in the future.

Any other questions, please contact me.

Sincerely,
