<p><b>Staff Report</b></p>	<p><b>ANALYSIS</b></p> <p>The subject property is part of the <u>Plan Greenville County</u> Comprehensive Plan, where it is designated as <i>Suburban Neighborhood</i>. Floodplain is not present on the overall site. There is one school located within one mile of the site: Brashier Middle College Charter School. The property is also no along any bus routes and there are no sidewalks along the subject property.</p> <p><b>SUMMARY</b></p> <p>The subject parcel is zoned R-S, Residential Suburban and is 12.37 acres of land located on W. Georgia Road and Rocky Creek Road, and is approximately 0.1 miles southeast of the intersection of W. Georgia Road and Rocky Creek Road. The subject parcel has approximately 747 feet of frontage along W. Georgia Road and approximately 822 feet of frontage along Rocky Creek Road. The applicant is requesting to rezone the property to R-MA, Multifamily Residential.</p> <p>The applicant states that the proposed land use is for Multifamily Development.</p> <p><b>CONCLUSION</b></p> <p>The subject parcel, zoned R-S, Residential Suburban, is located along W. Georgia Road, a State-maintained Arterial Road, and Rocky Creek Road, a State-maintained Collector Road. A successful rezoning to R-MA, Multifamily Residential would allow for a density up to 20 units per acre. Staff is of the opinion that the density allowed within the requested district would be too intense for the existing predominantly single-family residential area.</p> <p>Based on these reasons, staff recommends denial of the requested rezoning to R-MA, Multifamily Residential.</p>
