**ARTICLE I**

**FINDINGS AND DETERMINATIONS**

**Section 1.01 Findings and Determinations.** As an incident to the enactment of this ordinance (the “*Ordinance*”) and the issuance of the Bonds (as defined below) provided for herein, the County Council of Greenville County (the “*Council*”), the governing body of Greenville County, South Carolina (the “*County*”), finds that the facts set forth in this **Article I** exist, and the following statements are in all respects true and correct:

(a) The County, pursuant to Title 6, Chapter 1, Article 7 as enumerated under Section 6-1-530 of the Code of Laws of South Carolina, 1976, as amended, imposed a local hospitality tax (the “*Hospitality Tax*”) by Ordinance No. 4079 enacted on December 12, 2006, as amended.

(b) Article X, Section 14, of the Constitution of the State of South Carolina, 1895, as amended (the “*Constitution*”), provides that a political subdivision may incur indebtedness payable solely from a revenue-producing project which source does not involve revenues from any tax or license. Pursuant to Section 6-1-760 utilizing the procedures of Title 6, Chapter 17 of the Code of Laws of South Carolina, 1976, as amended (collectively, the “*Enabling Act*”), the County may issue revenue bonds (i) to defray the cost of tourist-related projects as enumerated in Title 6, Chapter 1, Article 7, which are consistent with the purposes enumerated in Section 6-1-530 of the Code of Laws of South Carolina, 1976, as amended, secured by a pledge of the Pledged Fee Revenues (as defined below) and (ii) to refund obligations issued for such purposes.

(c) On July 8, 2014, the County through the Greenville County Tourism Public Facilities Corporation issued its \$24,815,000 Refunding Certificates of Participation, Series 2014 (the “*Series 2014 Certificates*”) with Raymond James & Associates, Inc., as underwriter, for the purpose of advance refunding and defeasing certain outstanding Greenville County Tourism Public Facilities Corporation Certificates of Participation, Series 2008.

(d) On November 9, 2016, the County through the Greenville County Tourism Public Facilities Corporation issued its \$8,635,000 Refunding Certificates of Participation, Series 2016 (the “*Series 2016 Certificates*”) with Raymond James & Associates, Inc., as underwriter, for the purpose of advance refunding and defeasing certain outstanding Greenville County Tourism Public Facilities Corporation Certificates of Participation, Series 2010.

(e) The County now desires to issue a Series of Bonds to advance refund the outstanding principal amounts of the Series 2014 Certificates and the Series 2016 Certificates and to issue a Series of Bonds to defray the costs of the acquisition, construction, renovation, installation and equipping of certain tourism-related projects as described in the First Supplemented Ordinance enacted by the Council on the date hereof (the “*First Supplemental Ordinance*”).

(f) It is now in the best interest of the County for the Council to provide for the issuance and sale of Bonds of the County pursuant to the aforesaid provisions of the Constitution and laws of the State of South Carolina (the “*State*”).

(a) The Bonds shall be issued in Series by means of Supplemental Ordinances enacted by the Council in accordance with the provisions of this **Article III**. Each Supplemental Ordinance shall designate the Bonds provided for thereby by an appropriate Series designation and by any further particular designations, if any, as the Council deems appropriate; and shall, unless or except as is otherwise set forth herein, also specify (i) the authorized principal amount of the Series of Bonds; (ii) the purpose or purposes for which the Bonds of the Series are being issued, which shall be one or more of the purposes set forth in **Sections 3.03** and **3.04** hereof; (iii) if the Bonds of the Series are being issued for a purpose specified in **Section 3.03** hereof, the Project for which the Bonds are being issued; (iv) if the Bonds of the Series are being issued for a purpose specified in **Section 3.03** hereof, an estimate of the Project Costs to be financed by the Series of Bonds; (v) the date or dates of the Bonds of the Series or the manner to determine such dates; (vi) the maturity date or dates of the Bonds of the Series and the mandatory redemption amounts and due dates, if any, for the Term Bonds of the Series or the manner to determine such issues; (vii) the interest rate or rates of the Bonds of the Series, or the manner of determining the rate or rates, the initial interest payment date therefor, and the subsequent interest payment dates or the manner to determine such dates; (viii) the denominations of and manner of numbering and lettering, the Bonds of the Series; (ix) the redemption premium or premiums, if any, or the redemption price or prices to be paid upon the redemption of the Bonds of the Series, the period or periods, if any, during which premiums or prices shall be payable, and the terms and conditions, if any, of redemption or the manner to determine such issues; (x) the place or places of payment of the Bonds of the Series and interest thereon, and the paying agents therefor; (xi) the provisions for the sale or other disposition of the Bonds of the Series and the use, application, and investment, if any, of the proceeds of the sale or other disposition, which use, application and investment shall not be inconsistent with the provisions hereof; (xii) whether there will be a Debt Service Reserve Fund Requirement for such Series; (xiii) any other provisions which may be required to be included therein by other provisions of the Ordinance; and (xiv) any other necessary or desirable provisions not inconsistent with the provisions of the Ordinance.

(b) Bonds of a Series may be executed and delivered to the Trustee by the County and authenticated and delivered by the Trustee to the County or upon its order upon compliance with **Section 3.03**, **3.04**, or with respect to Junior Bonds, **Section 3.05** hereof.

**Section 3.03** **Conditions for the Issuance of Bonds.**

(a) At any time and from time to time, one or more Series of Bonds (exclusive of all Series of Bonds issued hereunder pursuant to the First Supplemental Ordinance or Bonds issued pursuant to the provisions of **Section 3.04** hereof) may be issued for any purposes as may be permitted by the Enabling Act upon compliance with the provisions of **Section 3.02** hereof and this **Section 3.03** (except where

specifically provided otherwise in this **Section 3.03**) in any principal amounts as may be determined by the Council.

(i) There shall be filed with the Trustee a certificate of the County Administrator stating (A) either (1) that no Default exists in the payment of the principal of, premium, if any, or interest on any Bonds or Junior Bonds, and all mandatory redemption requirements, if any, required to have been made or satisfied shall have been made or satisfied, or (2) that the application of the proceeds of the sale of the Series of Bonds to be issued as required by the Supplemental Ordinance authorizing their issuance will cure the Default or permit the making or satisfaction of the redemption requirements; and (B) either (1) that to the knowledge of the County Administrator, the County is not in Default in the performance of any other of its covenants and agreements contained in the Ordinance, or (2) setting forth the circumstances of each Default known to him.

(b) If a certificate filed pursuant to **Section 3.03(a)(i)** should disclose a Default or Defaults hereunder, which have not been cured, there shall be filed with the Trustee an opinion of Bond Counsel that, in the case of any Default disclosed in a certificate filed pursuant to **Section 3.03(a)(i)**, no Default deprives the Bondholders of the security afforded by the Ordinance in any material respect.

(c) For the issuance of Bonds (other than all Series of Bonds issued hereunder and pursuant to the First Supplemental Ordinance and Junior Bonds) issued hereunder to finance the Costs of the Project there shall be delivered to the Trustee a certificate of an Authorized Representative, which is not required to be based upon an audit of the County, to the effect that Pledged Fee Revenues deposited into the Pledged Fee Revenue Fund for any consecutive twelve-month period out of the last eighteen-month consecutive period immediately preceding the issuance date of the proposed Bonds (the "**Test Period**") are not less than 150% of the maximum annual Principal and Interest Requirements for all Series of Bonds then Outstanding and the additional Bonds then proposed to be issued (with adjustments, if any, for any Bonds that will be discharged upon the issuance of such additional Bonds). If new establishments have become subject to the Hospitality Tax during the Test Period, the annualized revenues may be included as if they were collected during the Test Period.

(d) The Bonds may be issued to secure funds to defray Project Costs or to refund any Bonds, Junior Bonds, or any notes, bonds, or other obligations issued to finance or to aid in financing Projects.

(e) There shall be on deposit in the Debt Service Reserve Fund, if such is required by any Supplemental Ordinance, cash and securities (including any insurance policy, surety bond or letter of credit permitted by Supplemental Ordinance) as provided in **Section 6.04** hereof (inclusive of any proceeds of Bonds to be deposited in the Debt Service Reserve Fund), having an aggregate value not less than the Debt Service Reserve Fund Requirement, if any, with respect to each Series of Bonds to be then Outstanding and the Bonds then proposed to be issued.

**Section 3.04 Issuance of Refunding Bonds.** Upon compliance with the provisions of paragraphs (a), (b), (c) and (e) of **Section 3.03** hereof, the County by means of a Supplemental Ordinance enacted in compliance with the Enabling Act and any other statutory provisions authorizing the issuance of revenue refunding bonds, including advance refunding bonds, may issue hereunder refunding Bonds for the purpose of refunding (including by purchase) Bonds or any other notes, bonds or other obligations issued to finance or to aid in financing of Projects, including amounts to pay principal, redemption premium, and interest to the date of the redemption (or purchase) of the refunded Bonds or any other notes, bonds or other obligations issued to finance or to aid in financing of Projects, and the Costs of Issuance of the refunding Bonds and to fund any necessary reserves or other accounts. In addition, the County by means of a Supplemental Ordinance may issue refunding Bonds for the purpose of refunding

Bonds or any other notes, bonds or other obligations issued to finance or to aid in financing of Projects, without satisfying the conditions for the issuance of Bonds as contained in **Section 3.03(c)** hereof to the extent that the aggregate Principal and Interest Requirements with respect to the refunding Bonds is less than the aggregate Principal and Interest Requirements with respect to the Bonds to be refunded or any other notes, bonds or other obligations issued to finance or to aid in financing of Projects to be refunded.

**Section 3.05** **Issuance of Junior Bonds** The County may at any time issue Junior Bonds in any amount as it may from time to time determine, payable from the Pledged Fee Revenues; provided that (a) such Junior Bonds are issued to secure funds to defray Project Costs, including obligations issued in the form of Capital Leases, or to refund Bonds, Junior Bonds, or any notes, bonds, or other obligations issued to finance or to aid in financing Projects; (b) the pledge of Pledged Fee Revenues securing Junior Bonds shall at all times be subordinate and inferior to the pledge of Pledged Fee Revenues securing the Bonds such that Junior Bonds shall be payable from Pledged Fee Revenues held in the Pledged Fee Revenue Fund after provision has been made for all payments required to be made hereunder with respect to the Bonds, and (c) there shall be delivered to the Trustee a certificate of an Authorized Representative to the effect that Pledged Fee Revenues for the Test Period are not less than 100% of the greatest sum for any Fiscal Year obtained by adding the Principal and Interest Requirements for each Fiscal Year for all Series of Bonds plus the principal and interest requirements for the Junior Bonds proposed to be issued. If new establishments have become subject to the Hospitality Tax during the Test Period, the annualized revenues may be included as if they were collected during the Test Period.

## ARTICLE IV

### THE BONDS

#### **Section 4.01 Execution.**

(a) Unless or except as is otherwise set forth in the Supplemental Ordinance providing for the issuance of a Series of Bonds, the Bonds shall be executed on behalf of the County by the Chairman of County Council and the County Administrator by their manual or facsimile signatures and attested by the Clerk to Council by his or her manual or facsimile signature.

(b) In case any officer whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be that officer before the delivery of the Bonds, the signature or the facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery.

**Section 4.02 Authentication.** Upon compliance with the provisions of **Sections 4.03, 4.04, or 4.05** hereof, as applicable, and upon the written order of the County, the Trustee shall authenticate Bonds authorized to be issued hereunder. Except as otherwise set forth in a Supplemental Ordinance, only those Bonds as shall have endorsed thereon a certificate of authentication duly executed manually by the Trustee shall be entitled to any right or benefit under this Ordinance, and no Bond shall be valid or obligatory for any purpose unless and until the certificate of authentication shall have been duly executed by the Trustee. The executed certificate of the Trustee upon any Bond shall be conclusive evidence that the Bond has been authenticated and delivered. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same person sign the certificate of authentication on all of the Bonds issued hereunder or on all of the Bonds of a particular Series.

**Section 4.03 Mutilated, Lost, Stolen, or Destroyed Bonds.** In the event any Bond is mutilated, lost, stolen, or destroyed, the County may execute and the Trustee may authenticate a new Bond having the same date, maturity, and denomination as that mutilated, lost, stolen, or destroyed Bond; provided that, in the case of any mutilated Bond, it shall first be surrendered to the County and in the case of any lost, stolen, or destroyed Bond, there shall be first furnished to the County and the Trustee evidence of the loss, theft, or destruction satisfactory to the County and the Trustee, together with indemnity satisfactory to them; provided that, in the case of a Holder which is a bank or insurance company, the agreement of the bank or insurance company to indemnify shall be sufficient. In the event any Bond shall have matured, instead of issuing a duplicate Bond, the County may pay it without surrender thereof. The County and the Trustee may charge the Holder of the Bond with their reasonable fees and expenses in this connection.

#### **Section 4.04 Registration and Transfer of Bonds; Persons Treated as Owners.**

(a) Each Bond shall be fully registered and transferable only upon the Books of Registry of the County which shall be kept for that purpose at the corporate trust office of the Trustee by the Registered Holder thereof or by his attorney, duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee, duly executed by the Registered Holder or his duly authorized attorney, signature guaranteed. Upon the transfer of any Bond, the County shall issue, subject to the provisions of **Section 4.07** hereof, in the name of the transferee, a new Bond or Bonds of the same Series and of the same aggregate principal amount as the unpaid principal amount of the surrendered Bond.

(b) Any Bondholder requesting any transfer shall pay any tax or other governmental charge required to be paid with respect thereto. As to any Bond, the person in whose name it shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of, premium, if any, and interest on any Bond shall be made only to or upon the order of the Holder thereof, or his duly authorized attorney, and neither the County nor the Trustee shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All the payments made in this manner shall be valid and effectual to satisfy and discharge the liability upon the Bond to the extent of the sum or sums paid.

**Section 4.05 Form of Bonds; Denominations; Medium of Payment.** Unless or except as is otherwise provided in the Supplemental Ordinance authorizing their issuance, the Bonds: (a) shall be in fully registered form without coupons; (b) shall be issued in denominations of \$5,000, or any integral multiple thereof (or, in the case of Capital Appreciation Bonds, in denominations representing \$5,000 Accreted Value at maturity or integral multiple thereof); provided that, upon partial redemption of a Bond requiring surrender thereof and the issuance of a new Bond, the new Bond may be in the denomination of the unredeemed balance; and (c) shall be payable with respect to principal, interest, and premium, if any, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The County may provide in any Supplemental Ordinance for a book-entry system for such Series of Bonds.

**Section 4.06 Numbers, Date, and Payment Provisions.**

(a) The Bonds shall be numbered and designated in any manner as the County, with the concurrence of the Trustee shall determine. Each Bond of a Series shall bear interest from the interest payment date immediately preceding the date of its authentication, unless authentication shall be upon an interest payment date, in which case, it shall bear interest from its authentication, or unless authentication shall precede the first interest payment date for the Bond, in which case it shall bear interest from the date of its delivery, or as otherwise provided in the Supplemental Ordinance authorizing their issuance; provided, however, that if the date of authentication of any Bond of any Series is after a Record Date and before the corresponding interest payment date therefor, it shall bear interest from the next succeeding interest payment date; notwithstanding the foregoing, if at the time of authentication of any Bond any interest on the Bond is in default, it shall bear interest from the date to which interest on it has been paid or if no interest has been paid, the Bond shall bear interest from the date of delivery thereof or as otherwise provided in the Supplemental Ordinance authorizing the issuance of the Bond.

(b) The principal of and redemption premium, if any, on the Bonds and Accreted Value on any Capital Appreciation Bonds shall be payable when due in lawful money of the United States of America upon presentation and surrender of the Bonds at the office of the Trustee described in the Supplemental Ordinance authorizing the issuance of the Bonds. Except as otherwise set forth in a Supplemental Ordinance, payment of interest on Bonds other than Capital Appreciation Bonds shall be made by check or draft drawn upon the Trustee and mailed to the Registered Holder at his address as it appears upon the Books of Registry; provided that payment to any Bondholder owning \$1,000,000 or more of Bonds may be made by wire transfer to an account in the continental United States of America upon the written request and instructions provided by such Bondholder to the Trustee no later than the preceding Record Date. The Trustee shall maintain a record of the amount and date of any payment of principal or interest on the Bonds (whether at the maturity date or the redemption date prior to the maturity or upon the maturity thereof by declaration or otherwise).

**Section 4.07 Exchange of Bonds.** Bonds, upon surrender thereof at the office of the Trustee described in the Supplemental Ordinance authorizing the issuance of that Series of Bonds, with a written instrument of transfer satisfactory to the Trustee, duly executed by the Bondholder or his duly authorized

attorney, signatures guaranteed, may, at the option of the Bondholder thereof, and upon payment by the Bondholder of any charges which the Trustee may make as provided in **Section 4.08**, be exchanged for a principal amount of Bonds of any other authorized denomination equal to the unpaid principal amount of surrendered Bonds.

**Section 4.08** **Regulations with Respect to Exchanges and Transfer.** In all cases in which the privilege of exchanging or transferring Bonds is exercised, the County shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of the Ordinance. All Bonds surrendered in any exchanges or transfers shall forthwith be cancelled by the Trustee. There shall be no charge to the Bondholder for the exchange or transfer of Bonds except that the Trustee may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to the exchange or transfer. Neither the County nor the Trustee shall be required (a) to exchange or transfer Bonds (i) from the Record Date to the next succeeding interest payment date or (ii) for a period of fifteen (15) days following any selection of Bonds to be redeemed or thereafter until after the first publication or mailing of any notice of redemption, or (b) to transfer any Bonds called for redemption.

**Section 4.09** **Temporary Bonds.** Any Series of Bonds may be initially issued in temporary form, exchangeable for definitive Bonds to be delivered as soon as practicable and subject to the agreement of the County and the Purchaser. The temporary Bonds may be printed or typewritten, shall be of any denominations and may be numbered in any manner as may be determined by the County, and may contain reference to any of the provisions of the Ordinance as may be appropriate. Every temporary Bond shall be executed by the County upon the same conditions and in substantially the same manner as the definitive Bonds. If the County issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered for cancellation at the office of the Trustee, and the Trustee shall deliver and exchange for the temporary Bonds an equal, aggregate principal amount of definitive Bonds having the same aggregate principal amount and in authorized denominations of the same Series, maturity or maturities, and interest rate or rates. Until exchanged, the temporary Bonds shall be entitled to the same benefits under the Ordinance as definitive Bonds under the Ordinance.

**Section 4.10** **Co-Registrars.** In the Supplemental Ordinance authorizing the issuance of any Series of Bonds, the County may appoint a co-registrar in addition to the Trustee. The co-registrar shall be authorized to perform the duties and responsibilities of the Trustee set forth in **Sections 4.02 4.03, 4.04, and 4.07** hereof with respect to the authentication, registration and exchange of Bonds of that Series, the same as is the Trustee pursuant to those Sections. Any co-registrar shall be required to furnish to the Trustee the names and addresses of the transferors and transferees of any Bonds registered, transferred, or exchanged by it, and the numbers and other identifying symbols of any Bonds cancelled or exchanged by it, and shall comply with all reasonable instructions with respect to the performance of its duties and responsibilities that the Trustee shall give to it.

## ARTICLE V

### REDEMPTION OF BONDS BEFORE MATURITY

**Section 5.01 Redemption of Bonds.** The Bonds of a Series shall be subject to redemption prior to their stated maturities upon the terms and conditions and at the dates and redemption price or prices or premium or premiums as shall be set forth or provided for in the Supplemental Ordinance pursuant to which that Series is issued, and upon the further terms and condition as are hereinafter set forth.

**Section 5.02 Selection of Bonds for Redemption.** In the event of the redemption at any time of only part of the Bonds of a Series, the Bonds to be redeemed shall be redeemed in the order as is set forth or provided for in the Supplemental Ordinance providing for the issuance of that Series. Unless otherwise provided by Supplemental Ordinance, if less than all of the Bonds having the same maturity of any Series shall be called for prior redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected as provided in the Supplemental Ordinance; provided, however, that the portion of any Bond of a denomination (or, in the case of Capital Appreciation Bonds, Accreted Value at maturity) of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof, and that, in selecting portions of Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount or Accreted Value at maturity of the Bond by \$5,000.

**Section 5.03 Notice of Redemption.** Unless or except as is otherwise provided in the Supplemental Ordinance authorizing the issuance of the Bonds, the provisions of this **Section 5.03** apply to each Series of Bonds. In the event any of the Bonds or portions thereof are called for redemption, the Trustee shall give notice, in the name of the County, of the redemption of the Bonds to be redeemed, the redemption date, the principal amount of each Bond to be redeemed (if less than all), the redemption price, the place or places where amounts due upon redemption will be payable, and the numbers of the Bonds to be redeemed. The notice shall be given by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least thirty (30) days, but not more than sixty (60) days, prior to the date fixed for redemption to the Holder of each Bond or portion thereof to be redeemed at the address shown on the Books of Registry. Failure duly to give notice by mailing, or any defect in the notice, to the Holder of any Bond designated for redemption shall not affect the validity of any proceedings for the redemption of any other Bonds. All Bonds or portions thereof called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit with the Trustee on or before such redemption date; and the Bonds shall not be deemed to be Outstanding under the provisions of the Ordinance. If on the date fixed for redemption there is not on deposit with the Trustee funds for redemption, the Trustee shall send a notice to all Holders in the same manner as the notice of redemption canceling such notice of redemption.

If at the time of mailing of the notice of redemption there shall not have been deposited with the Trustee moneys sufficient to redeem all of the Bonds called for redemption, which moneys are or will be available for redemption of Bonds, such notice will state that it is conditional upon the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

**Section 5.04 Partial Redemption of Bond.** In the event that only part of the principal sum of a Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of the Bond to the Trustee. Upon surrender of the Bond, the County shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the office of the Trustee, or send to the Holder by registered mail at his request, risk, and expense, a new fully executed Bond or

Bonds, of authorized principal sums equal in aggregate principal amount to, and of the same Series, maturity, and interest rate as, the unredeemed portion of the Bond surrendered.

**Section 5.05** **Effect of Redemption.** If a Bond is subject by its terms to prior redemption and has been duly called for redemption and notice of the redemption thereof has been duly given as hereinbefore provided and if moneys for the payment of the Bond (or of the principal amount thereof to be redeemed) at the then applicable redemption price or together with the then applicable premium, if any, and the interest to accrue to the redemption date on the Bond (or the principal amount thereof to be redeemed) are held on or before the date fixed for redemption for the purpose of payment by the Trustee or other paying agent for the Series of Bonds of which that Bond is one, then on the redemption date designated in the notice, the Bond (or the principal amount thereof to be redeemed) called for redemption shall become due and payable and interest on the Bond (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue.

**Section 5.06** **Cancellation.** All Bonds which have been redeemed shall be cancelled and either maintained or destroyed by the Trustee and shall not be reissued. A counterpart of the certificate of destruction evidencing the destruction shall be furnished by the Trustee to the County upon the request of the County.

**Section 5.07** **Purchase of Bonds.** The Trustee shall, if and to the extent practicable, endeavor to purchase Bonds or portions of Bonds at the written direction of the County at the time, in the manner, and at the price as may be specified by the County but in no event greater than the call price first to become available or then prevailing. The Trustee may so purchase Bonds with any moneys then held by the Trustee and available for the redemption or purchase of Bonds; provided, that any limitations or restrictions on redemption or purchases contained in the Ordinance shall be complied with. The expenses of purchase shall be deemed an expense of the Trustee under **Section 7.03** hereof. The Trustee shall incur no liability for any purchase made in accordance with this **Section 5.07** or for its inability to effect purchase thereof.

## ARTICLE VI

### ESTABLISHMENT OF FUNDS; PAYMENTS THEREFROM; INVESTMENT OF MONEYS; SECURITY FOR THE BONDS

**Section 6.01 Listing of Funds and Accounts.** The following are the funds and accounts established by the Ordinance:

- (a) Pledged Fee Revenue Fund;
- (b) Debt Service Fund, including an Interest Account, Principal Account, and Bond Redemption Account;
- (c) Debt Service Reserve Fund; and
- (d) Construction Fund for each Series to the extent the Series of Bonds is issued for Project Costs.

One or more accounts may be established within any of the above funds as are reasonably necessary. It is intended by the Ordinance that the funds referred to in this **Article VI** (other than the Construction Fund) shall remain in existence for so long a time as any sum remains due and payable by way of principal of and interest on the Bonds, and that deposits and withdrawals therefrom be made in the manner herein prescribed and in the order of priority hereinafter set forth in this **Article VI**. The initial implementation of this **Article VI** may, at the option of the County, be postponed until the occasion of the initial issuance of Bonds pursuant to the Ordinance. Upon the issuance of any Junior Bonds, the Trustee shall then establish pursuant to the Supplemental Ordinance a Junior Bond Debt Service Fund. Any debt service due on Junior Bonds shall be paid after all deposits with respect to Bonds (exclusive of Junior Bonds) have been made into the funds described in (a) through (d) above.

#### **Section 6.02 Pledged Fee Revenue Fund; Pledge of Trust Estate.**

(a) There is hereby established a Pledged Fee Revenue Fund to be maintained by the County or a Custodian appointed by the County pursuant to **Section 7.14** hereof and into which shall be deposited all Pledged Fee Revenues, if any, as received by the County. Moneys in the Pledged Fee Revenue Fund shall be withdrawn, and allocation and use therefrom shall be made at the direction of the County but only in the manner specified in this **Article VI** and in the order of priority according to items (b) and (c) of **Section 6.01** hereof. Upon satisfaction on a Fiscal Year basis of all requirements for payments into the Debt Service Fund, the Debt Service Reserve Fund or the Junior Bond Debt Service Fund, all moneys remaining in the Pledged Fee Revenue Fund shall be used by the County for any lawful purpose.

(b) The Bonds shall be payable solely from the Trust Estate which includes Pledged Fee Revenues in the manner provided herein, and the Pledged Fee Revenues herein made applicable thereto are hereby irrevocably pledged to the payment of the Bonds, and to the payments into the various funds herein provided for, to the extent and in the manner provided for by the Ordinance. The Bonds (excluding Junior Bonds), including payment of the principal thereof, redemption premium, if any, and interest thereon, shall be equally and ratably secured hereunder by the Trust Estate without priority by reason of Series, number, date of enactment of Supplemental Ordinance providing for the issuance thereof, the purposes or Projects for which the Bonds are issued, the date, date of sale, execution, issuance or delivery of the Bonds, or otherwise, and without regard to which section hereof the Bonds are issued under, except as hereinafter otherwise expressly provided. The pledge securing the Bonds shall constitute a prior and paramount lien and charge on the Trust Estate, subject only to the provisions of the Ordinance

restricting or permitting the application thereof for the purposes and on the terms and conditions set forth in the Ordinance. The Pledged Fee Revenues and the other moneys and securities hereby pledged as part of the Trust Estate shall immediately be subject to such lien and the pledge without any physical delivery thereafter or further act, and such lien and the pledge shall be valid and binding against all parties having claims of any kind, in tort, contract, or otherwise, against the County, whether or not the parties have notice thereof.

(c) The covenants and agreements herein set forth to be performed by the County shall be for the equal and proportionate benefit, security, and protection of all Holders of the Bonds without preference, priority, or distinction as to payment or security or otherwise (except as to maturity) of any of the Bonds or any of the others for any reason or cause whatsoever, except as expressly provided herein or in the Bonds, and, except as aforesaid and with respect to Junior Bonds, all Bonds shall rank *pari passu* and shall be secured equally and ratably hereunder without discrimination or preference whatsoever.

### **Section 6.03 Debt Service Fund.**

(a) There is hereby established a Debt Service Fund to be maintained in trust by the Trustee, and within the Debt Service Fund there is hereby established a separate Interest Account, Principal Account, and Bond Redemption Account. This fund is intended to provide for the payment of the principal of, premium, if any, and interest on the Bonds (exclusive of Junior Bonds) as they respectively fall due. Payments into this fund shall be made in the manner prescribed by the Ordinance and all moneys in the Debt Service Fund shall be used solely to pay the principal of, redemption premium, if any, and interest on the Bonds, and for no other purpose; and withdrawals therefrom shall be made only to effect payment of the principal of, redemption premium, if any, and interest on the Bonds. Earnings on investments of the Debt Service Fund shall become a part of the Debt Service Fund or at the written direction of an Authorized Representative and with an approving opinion of Bond Counsel be used for any lawful purpose related to the Project; provided, however, that by Supplemental Ordinance the County may provide that earnings on moneys in the Debt Service Fund representing capitalized interest on any Series of Bonds may, during the construction period of any Project financed by that Series of Bonds, be transferred to the Construction Fund established for that Series of Bonds.

(b) Each month there shall be transferred by the County from the Pledged Fee Revenue Fund to the Trustee for deposit into the Debt Service Fund sufficient moneys so as to comply with the following provisions for the payment of the Principal and Interest Requirements on the Bonds then Outstanding:

(i) On or before the fifteenth day of each month (provided, that payments with respect to interest on Bonds of a Series need not begin until the month following the month in which the Series is issued and delivered) into the Interest Account of the Debt Service Fund, that amount which, together with equal, successive, monthly deposits in the same amount, will, together with any other funds on deposit from whatever source in the Interest Account of the Debt Service Fund which will be applied to the next interest payment, provide sufficient funds to pay the aggregate amount of interest to become due on the Bonds on the next interest payment date. If any Bonds are issued with provision that the interest rate thereon is subject to adjustment from time to time, the County shall provide in the Supplemental Ordinance pursuant to which the Bonds are issued for any further and additional or alternate credits to the Interest Account as are necessary to provide for the payment of interest thereon when due, taking into account any other funds as will be available for that payment. In making the transfers required by this paragraph, any amounts credited to the Interest Account representing accrued interest received on the sale of Bonds, interest accruing during the month in which the credit is made from capitalized proceeds

of Bonds, and any other transfers and credits otherwise made or required to be made to the Interest Account shall be taken into consideration and allowed for.

(ii) On or before the fifteenth day of the month which precedes the first principal payment date on any Serial Bond by twelve (12) months, or if the first installment of principal of Serial Bonds of that Series shall become due in less than twelve (12) months from the date on which the Series is issued and delivered to the Purchaser thereof, then on or before the fifteenth day of the month immediately succeeding the month in which the Bonds of that Series are issued and delivered, and in any event prior to the date upon which the installment of principal falls due, and on or before the fifteenth day of each succeeding month thereafter, into the Principal Account of the Debt Service Fund, that amount which, together with equal, successive, monthly deposits in the same amount, will, together with any other funds on deposit from whatever source in the Principal Account of the Debt Service Fund which will be applied to the payment of principal next to become due, provide sufficient funds to pay the aggregate amount of the principal of Serial Bonds to become due on the next principal payment date.

(iii) On or before the fifteenth day of the twelfth (12th) month prior to the date upon which a mandatory redemption of Term Bonds of a Series falls due, or if the first mandatory redemption requirement on Term Bonds of that Series shall fall due in less than twelve (12) months from the date on which that Series is issued and delivered to the Purchaser thereof, then on or before the fifteenth day of the month immediately succeeding the month in which the Bonds of that Series are issued and delivered, and in any event prior to the date upon which any mandatory redemption requirement falls due, and on or before the fifteenth day of each succeeding month thereafter, an amount such that, if the same amount were credited to the Bond Redemption Account on the fifteenth day of each month thereafter and prior to the next date upon which a mandatory redemption requirement falls due on the Term Bonds of that Series, the aggregate of the amount so credited to the Bond Redemption Account for the purpose of redeeming the Term Bonds of that Series would on the latter date be equal to the amount (excluding accrued interest) required to redeem the principal amount of those Term Bonds required by the sinking fund installment then falling due on the Term Bonds of that Series. At any time before Bonds of a Series subject to redemption from amounts deposited pursuant to this paragraph have been selected for redemption, or after the redemption date thereof, the County may, in lieu of making all or any portion of a payment with respect to that Series of Bonds required by this paragraph, deliver to the Trustee for cancellation Bonds of that Series subject to redemption from amounts so paid, in which event the payments required by this paragraph shall be reduced by the applicable redemption price of the Bonds delivered for cancellation. The Trustee shall apply the moneys credited to the Bond Redemption Account as mandatory redemption requirements to the retirement of the Term Bonds of each Series by redemption in accordance with the Supplemental Ordinance providing for the issuance of that Series of Bonds, without further authorization or direction, on each mandatory redemption date with respect to the Term Bonds of that Series or, if directed in writing by an Authorized Representative, semiannually on both the redemption date and the date six (6) months prior to the redemption date, so that the aggregate amount applied will equal the amounts required to be credited to the Bond Redemption Account as mandatory redemption requirements for the Term Bonds of that Series on the mandatory redemption date by the Supplemental Ordinance providing for the issuance thereof; provided, however, that if the last mandatory redemption requirement for the Term Bonds becomes due on the stated maturity date thereof, the amount of the mandatory redemption requirement may be applied to the payment thereof at maturity. The Trustee shall, if so directed in writing by the County, apply the moneys credited to the Bond Redemption Account as mandatory redemption requirements for the retirement of the Term Bonds of a Series to the purchase of the Bonds at a purchase price (including accrued interest and any brokerage or other

charge) not to exceed the redemption price then applicable upon the redemption of those Bonds from mandatory redemption requirements, plus accrued interest, in which event the principal amount of the Bonds required to be redeemed on the next ensuing mandatory redemption date shall be reduced by the principal amount of the Bonds purchased; provided, however, that no Bonds of the Series shall be purchased during the interval between the date on which notice of redemption of the Bonds from mandatory redemption requirements is given and the mandatory redemption date set forth in the notice, unless the Bonds so purchased are Bonds called for redemption in the notice or are purchased from moneys other than those credited to the Bond Redemption Account with respect to the mandatory redemption requirements.

In the event that moneys in the Bond Redemption Account, other than moneys credited thereto as mandatory redemption requirements, are to be applied to the retirement of one or more Series of Bonds, the County may direct the Trustee in writing within thirty (30) days of the deposit of the moneys to apply the moneys to the purchase of Bonds of that Series and may direct from which of the Series of Bonds purchases may be made and may elect that all purchases shall be made from only one Series or from more than one Series. The price payable on any purchase shall not exceed the highest redemption price applicable at the time or any time thereafter with respect to the Series of Bonds. Any moneys not applied to the purchase of Bonds shall be applied to the redemption of Bonds of any Series then subject to redemption from those moneys. In the event that the moneys may be applied to the redemption of more than one Series of Bonds, the moneys shall be applied by the Trustee to the redemption of Bonds of each Series in proportion to which the principal amount of Bonds of each Series then Outstanding and subject to redemption from the moneys bears to the total principal amount of Bonds of all Series then Outstanding and subject to redemption from the moneys. The purchase or redemption of Term Bonds pursuant to this paragraph shall be credited against the mandatory redemption requirement of the Term Bonds in any order of the mandatory redemption dates as determined by the County in writing. The Trustee shall keep and retain accurate records of application of each deposit of funds under this paragraph. Neither the County nor the Trustee shall be required to redeem Bonds pursuant to this paragraph if the moneys available for redemption are less than \$50,000. The Trustee, in the name and on behalf of the County, shall give notice of all redemptions in accordance with the provisions of **Article V** hereof. Any purchase of Bonds pursuant to this paragraph may be made with or without tenders of Bonds at public or private sale; provided, however, the County shall direct the Trustee in writing in any method to be followed in purchasing Bonds. The accrued interest to be paid on the purchase or redemption of Bonds shall be paid from the Interest Account. All Bonds purchased or redeemed pursuant to this paragraph shall be cancelled and not reissued.

(iv) If, on any occasion when the payments required by paragraphs (i), (ii), and (iii), *supra*, are to be made, the sum total of the payments required by paragraphs (i), (ii), and (iii), *supra*, plus previous monthly payments and the remaining payments to be made prior to the next succeeding interest or principal and interest payment date, will not provide, together with any other funds in the Debt Service Fund to be applied to the payment of principal and interest, sufficient funds to meet the payment of the next succeeding installment of either principal (whether due at stated maturity or by mandatory redemption) or interest, or both, as the case may be, there shall be added to the payments to be made pursuant to paragraphs (i), (ii), and (iii), *supra*, with respect to any Series of Bonds, from the Pledged Fee Revenue Fund and the account, if any, in the Debt Service Reserve Fund established with respect to that Series of Bonds, in that order, a sum equal to the deficiency; the effect of this subparagraph (iv) being to ensure that moneys in the Debt Service Fund and the Pledged Fee Revenue Fund be applied equally and ratably to the payment of Bonds, without priority between Series, but that the moneys, if any, in

the Debt Service Reserve Fund account established with respect to any Series of Bonds be applied solely to the payment of debt service on the Bonds of that Series.

(c) If at any time the amounts held by the Trustee in the funds established under this **Article VI** are sufficient to pay principal of, premium, if any, and interest on the Bonds then Outstanding to maturity or prior redemption, together with any amounts due the Trustee, the Trustee shall notify the County, and thereafter the Trustee shall apply the amounts in the funds to the payment of the principal of, premium, if any, and interest on the Bonds and any amounts due the Trustee and shall be required to pay over any excess moneys to the County.

#### **Section 6.04 Debt Service Reserve Fund.**

(a) There is hereby established a Debt Service Reserve Fund to be maintained in trust by the Trustee. The Supplemental Ordinance providing for the issuance of each Series of Bonds may provide for the establishment of a separate account, if any, within the Debt Service Reserve Fund with respect to the applicable Series of Bonds, and, if so established, shall specify the applicable Debt Service Reserve Fund Requirement with respect to that Series of Bonds. The Debt Service Reserve Fund account established with respect to any Series of Bonds is intended to ensure the timely payment of the principal of and interest on the Bonds of that Series and to provide for the redemption of Bonds of that Series at or prior to their stated maturities. Moneys in the Debt Service Reserve Fund account established with respect to any Series of Bonds shall be used for the following purposes, and the Trustee is authorized to use such moneys for the following purposes, and for no other:

(i) To prevent a Default in the payment of the principal of or interest on the Bonds of that Series, by reason of the fact that moneys in the Debt Service Fund are insufficient for those purposes.

(ii) To pay the principal of, interest on, and redemption premium, if any, of the Bonds of that Series in the event that all Outstanding Bonds of that Series be redeemed as a whole.

(iii) To effect partial redemption of the Bonds of that Series, provided that the redemption be undertaken in accordance with the provisions of the Ordinance permitting a partial redemption of Bonds and the balance remaining in the Debt Service Reserve Fund account following the partial redemption shall not be less than the Debt Service Reserve Fund Requirement, if any, with respect to the Bonds of that Series Outstanding following the partial redemption.

(iv) To effect the retirement of Bonds of that Series through purchase under the conditions herein prescribed.

(v) To pay the final installments of principal and interest of the Bonds of that Series provided that the balance remaining in the Debt Service Reserve Fund account following such payment shall not be less than the Debt Service Reserve Fund Requirement with respect to the Bonds of that Series Outstanding following such payment.

(b) Whenever the market value of the cash and securities in the Debt Service Reserve Fund account established with respect to any Series of Bonds as determined by the Trustee in accordance with **Section 6.13** hereof shall exceed the Debt Service Reserve Fund Requirement, if any, with respect to that Series of Bonds, the excess may be used at the written direction of an Authorized Representative (i) to repurchase and retire Bonds of that Series at prices not exceeding the call price first to become available

or then prevailing; (ii) subject to the provisions of paragraph (h) of this **Section 6.04**, transferred to the Debt Service Fund to be applied to the payment of debt service on that Series of Bonds; or (iii) with an approving opinion of Bond Counsel, transferred to the County and applied for any lawful purpose. Purchases of Bonds shall be effected by the County through the Trustee. Whenever Bonds shall have been purchased pursuant to this authorization, it shall be the duty of the Trustee to cancel and destroy those Bonds and to deliver certificates evidencing that act to the County.

(c) Other than as provided in paragraphs (b), (e), (g) and (h) of this **Section 6.04**, withdrawals from the Debt Service Reserve Fund shall be made only to make available to the Trustee the moneys which it requires to effect payment of principal and interest and premium, if any, on the Bonds in accordance with this **Section 6.04**. Withdrawals shall be made not less than one (1) day nor more than five (5) days prior to the occasion when installments of principal and interest and premium, if any, become due or the applicable redemption or Bond purchase date, as applicable.

(d) Whenever the value of cash and securities (or the equivalent security permitted by Supplemental Ordinance) in the Debt Service Reserve Fund account established with respect to any Series of Bonds as determined by the Trustee in accordance with **Section 6.13** hereof shall be less than the Debt Service Reserve Fund Requirement, if any, with respect to that Series of Bonds due to decline in market value or a withdrawal pursuant to **Section 6.04(a)(i)**, there shall be deposited, from the Pledged Fee Revenue Fund after the payments required under **Section 6.03** have been made into the Debt Service Fund on or before the fifteenth day of each month into the Debt Service Reserve Fund account in an amount which, together with equal, successive, monthly deposits in the same amount, will provide cash and securities in the Debt Service Reserve Fund account of a value not less than the Debt Service Reserve Fund Requirement with respect to that Series within twelve (12) months next succeeding the determination.

(e) In lieu of the deposit of moneys into the Debt Service Reserve Fund account established with respect to any Series of Bonds to meet the Debt Service Reserve Fund Requirement with respect to that Series, the County may cause to be credited a surety bond or an insurance policy payable to, or a letter of credit in favor of, the Trustee for the benefit of the Holders of the Bonds meeting the standard set forth in the Supplemental Ordinance authorizing that Series of Bonds. The amount of moneys required to be deposited to the Debt Service Reserve Fund account shall be reduced by the amount of the surety bond, insurance policy, or letter of credit. The surety bond, insurance policy, or letter of credit shall be payable (upon the giving of notice as required thereunder) on any interest payment date on which moneys will be required to be withdrawn from the Debt Service Reserve Fund account and applied to the payment of the principal of or interest on any Bonds of that Series but only to the extent that withdrawals cannot be made by amounts then credited to the Debt Service Reserve Fund account.

(f) If the issuer of a surety bond, insurance policy, or letter of credit on deposit in the Debt Service Reserve Fund shall fail to meet the standard set forth with respect thereto in the Supplemental Ordinance, the County shall use reasonable efforts to replace the surety bond, insurance policy, or letter of credit with one issued by an issuer having a rating as described, but shall not be obligated to pay, or commit to pay, increased fees, expenses, or interest in connection with the replacement or to deposit Pledged Fee Revenues in the Debt Service Reserve Fund in lieu of replacing the surety bond, insurance policy, or letter of credit with another.

(g) If the County obtains a surety bond, insurance policy, or letter of credit after the deposit of moneys to the Debt Service Reserve Fund account established with respect to any Series of Bonds, excess moneys shall be transferred to the Construction Fund established for that Series of Bonds, or if one does not exist, to the Debt Service Fund and applied to pay debt service on that Series of Bonds; provided that, if, in an opinion of Bond Counsel addressed to the Trustee, the excess moneys do not constitute

“proceeds” within the meaning of Section 148(d) of the Code, they shall be transferred to the County for use by the County for any lawful purposes.

(h) Earnings on investment of moneys held in the Debt Service Reserve Fund account established with respect to any Series of Bonds, shall be credited to and become a part of such Debt Service Reserve Fund account but whenever the value of the cash and securities in the Debt Service Reserve Fund account exceeds the Debt Service Reserve Fund Requirement with respect to that Series of Bonds, the excess shall be transferred to the Debt Service Fund or at the written direction of an Authorized Representative and with an approving opinion of Bond Counsel addressed to the Trustee be used for any lawful purpose related to the Project; provided, however, that by Supplemental Ordinance authorizing the issuance of any Series of Bonds the County may provide that any excess may, during the construction period of any Project financed by that Series of Bonds, be transferred to the Construction Fund established for that Series of Bonds.

**Section 6.05 Establishment of Construction Fund.** There shall be created and established with the County or, at the County’s option, the Trustee a Construction Fund with respect to each Series of Bonds (other than for Bonds issued to refund any obligations of the County) in the Supplemental Ordinance providing for their issuance, the moneys in which shall be used to defray the Costs of the Project and Costs of Issuance with respect to the Projects financed.

**Section 6.06 Deposits into Construction Fund.** On the occasion of the delivery of any Series of Bonds, other than refunding Bonds, such proceeds, as specified in a Supplemental Ordinance, shall be paid into the Construction Fund established for that Series as set forth in a Supplemental Ordinance authorizing their issue.

**Section 6.07 Withdrawals from Construction Fund.** Withdrawals from the Construction Fund shall not be made except as provided in the Supplemental Ordinance establishing the Construction Fund.

**Section 6.08 Transfer of Surplus Construction Fund Moneys.** All funds remaining in any Construction Fund established under a Supplemental Ordinance upon completion of the Projects intended to be financed thereby shall be transferred to the Interest Account, Principal Account or Bond Redemption Account of the Debt Service Fund as directed in writing by an Authorized Representative and shall be used only to pay the principal of, premium, if any, and interest on the Bonds or Junior Bonds of the Series issued under the terms of the Supplemental Ordinance or to acquire Outstanding Bonds or Junior Bonds of that Series at a price (exclusive of accrued interest) not exceeding the face amount thereof, or other lawful purpose.

**Section 6.09 Investment of Funds.**

(a) Any moneys held as part of any fund or account created under the Ordinance shall, at the written direction of and as specified by an Authorized Representative, be invested and reinvested by the Trustee or the Custodian of the fund, as the case may be, in Investment Obligations to the extent practicable. Any investments shall be held by or under the control of the Trustee or the Custodian of the fund, as the case may be, and shall be deemed at all times a part of those funds and the interest accruing thereon and any profit realized from investments shall be credited to the fund, and any loss resulting from investments shall be charged to the fund. The Trustee or the Custodian of the fund, as the case may be, is directed to sell and reduce to cash funds a sufficient amount of investments whenever the cash balance in the fund is insufficient to make any necessary transfers or withdrawals from the fund.

(b) No Investment Obligation in any fund or account may mature beyond the latest maturity date of any Bonds Outstanding at the time the Investment Obligation is deposited.

(c) An Authorized Representative may at any time give to the Trustee or the Custodian of the fund, as the case may be, written directions respecting the investment of any moneys required to be invested hereunder subject however to the provisions of this **Section 6.09** and the Trustee or the Custodian of the fund, as the case may be, shall then invest the money under this **Section 6.09** as so directed by an Authorized Representative. The Trustee or the Custodian of the fund, as the case may be, may request in writing direction or authorization of an Authorized Representative with respect to the proposed investment of money under the provisions of the Ordinance. Upon receipt of any request accompanied by a memorandum setting forth details of any proposed investment, an Authorized Representative will either approve the proposed investment or will give written directions to the Trustee or the Custodian of the fund, as the case may be, respecting the investment of the money and in the case of the directions, the Trustee or the Custodian of the fund, as the case may be, shall then, subject to the provisions of this **Section 6.09**, invest the money in accordance with the directions.

(d) An Authorized Representative may enter into or direct the Trustee or the Custodian, as the case may be, to enter into financial product agreements with respect to the Construction Fund, the Debt Service Fund, the Junior Bond Debt Service Fund and the Debt Service Reserve Fund provided the proceeds thereof are used for Project Costs; and provided, the rights, obligations and protections of the Trustee or the Custodian, as the case may be, contained in such financial product agreements must be in form and content acceptable to the Trustee or the Custodian, as the case may be, in their sole discretion, and the Trustee or the Custodian, as the case may be, may charge reasonable additional fees in connection therewith.

(e) The Trustee shall not be liable for any loss resulting from the making or disposition of any investment pursuant to the provisions of this **Section 6.09**, and any such losses shall be charged to the fund and account with respect to which such investment is made. The Trustee may conclusively rely upon the County's written instructions as to both the suitability and legality of all investments directed hereunder, their qualification as Investment Obligations and as to their compliance with the provisions of this **Section 6.09**. Ratings of investments shall be determined at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments, including at the time of reinvestment of earnings thereon. In the absence of written investment instructions from the County, the Trustee shall not be responsible or liable for keeping the money held by it hereunder fully invested. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. In the absence of written investment directions from the County, the Trustee shall hold all such funds uninvested in cash, without liability for interest.

**Section 6.10 Trustee's and Custodian's Own Bond Department.** Subject to **Section 6.09(a)**, the Trustee and any Custodian may make any and all investments permitted under **Section 6.09** through their respective bond departments.

**Section 6.11 Trustee's and Custodian's Right to Rely.** The Trustee and any Custodian may conclusively rely upon any investment directions given by an Authorized Representative within the limitations set forth hereinabove received pursuant to this **Article VI** and shall not be liable or responsible for (a) any diminution in the value of any investments made pursuant to this **Article VI** or for any loss arising from any sale or other disposition thereof, (b) any violation of any statute or of any policy or rules or regulations of or applicable to the County or of the Internal Revenue Service with respect to "arbitrage bonds," or (c) any requirement to rebate excess earnings earned on any funds established hereunder as provided under the Code.

**Section 6.12** **Pooled Investment of Moneys Held in Funds.** The moneys in the funds established under the Ordinance may be pooled with each other for investment purposes.

**Section 6.13** **Valuation.**

(a) For the purpose of determining the amount on deposit in any fund or account, Investment Obligations in which money in the fund or account is invested shall be valued at the market value of the obligations.

(b) The Trustee shall value the Investment Obligations in the funds and accounts held by the Trustee established under the Ordinance as of each June 30, within 45 days of that date. The County shall value the Investment Obligations in all other funds and accounts established under the Ordinance as of each June 30, within 45 days of that date. In addition, the Investment Obligations held by the Trustee shall be valued by the Trustee at any time requested by the County on reasonable notice to the Trustee; provided, however, that the Trustee shall not be required to value the Investment Obligations more than once in any calendar quarter.

(c) Notwithstanding the above provisions of this **Section 6.13**, Investment Obligations on deposit in the Debt Service Reserve Fund shall be valued on the beginning of each calendar quarter at the market value thereof.

(d) For purposes of any valuation hereunder, the value of any surety bond, insurance policy, or letter of credit credited to the Debt Service Reserve Fund shall be the amount available to the Trustee or other beneficiary under the instrument as of the time of the calculation.

**Section 6.14** **Tax Covenant.** No investment shall be made by the County of any of the funds set forth above which would cause any Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code; provided, however, that this **Section 6.14** shall not prohibit the issuance of Bonds which are subject to federal income taxation upon their original issuance.

## ARTICLE VII

### TRUSTEE AND CUSTODIANS

#### **Section 7.01** **Appointment of Trustee.**

Upon the appointment of a Trustee, the Trustee shall signify its acceptance of the powers, duties and obligations conferred and imposed upon it by this Ordinance by executing and delivering to the County a written instrument of acceptance upon which the Trust Estate shall be vested in the Trustee.

The Trustee, including any successor Trustee shall, at the time of appointment, be a bank or trust company which is a member of the Federal Reserve System with a capital stock, surplus and undivided profits aggregating in excess of Five Hundred Million Dollars (\$500,000,000).

**Section 7.02** **Duties and Obligations of the Trustee.** Prior to the occurrence of any Event of Default and after the curing of all such Events of Default that may have occurred, the Trustee shall perform such duties and only such duties of the Trustee as are specifically set forth in this Ordinance and no implied covenants or obligations shall be read into this Ordinance against the Trustee. Upon the occurrence and continuance of an Event of Default of which the Trustee is deemed to have knowledge, the Trustee shall use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. The duties and obligations of the Trustee are further subject to the following terms and conditions:

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers, or employees, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay reasonable compensation to all attorneys, agents, receivers, and employees as may be reasonably employed in connection with the trusts hereof. The Trustee shall not be responsible for any misconduct or negligence of any agent or attorney appointed with due care by the Trustee. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the County) except that with respect to matters involving the exemption from federal income taxes of the interest on the Bonds, such attorneys shall be Bond Counsel. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon the opinion or advice.

(b) The Trustee shall not be responsible for any recital herein or in the Bonds (except in respect to the authentication certificate of the Trustee endorsed on the Bonds), or for the validity of the enactment by the Council of the Ordinance or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions, or agreements on the part of the County, except as herein expressly set forth; but the Trustee may require of the County full information and advice as to the performance of the covenants, conditions, and agreements aforesaid and as to the condition of the property conveyed hereby. The Trustee makes no representations as to the technical or financial feasibility of the Project, the compliance of the Project with the Enabling Act, or the tax-exempt status of the Bonds. The Trustee is not accountable for the use or application by the Borrower of any of the Bonds or the proceeds of the Bonds, or for the use or application of any moneys paid over by the Trustee in accordance with any provision of this Ordinance.

(c) The Trustee may become the owner of Bonds, secured hereby with the same rights which it would have were it not Trustee. The Trustee may also engage in or be interested in any financial or other transaction with the County.

(d) The Trustee shall be protected in acting under the Ordinance upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to the Ordinance upon the request or authority or consent of any person who at the time of making the request or giving the authority or consent is the Holder of any Bond, shall be conclusive and binding upon all future Holders of the same Bond and of Bonds issued in exchange therefor or in place thereof, regardless of whether or not any notation of making the request or giving the authority or consent is made on the Bond.

(e) As to the existence or non-existence of any act or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the County by an Authorized Representative as sufficient evidence of the facts therein contained and prior to the occurrence of a Default of which the Trustee has been notified as provided in subsection (g) of this **Section 7.02**, or of which by that subsection it is deemed to have notice, may also accept a similar certificate to the effect that any particular dealing, transaction, or action is necessary or expedient, but may, at its discretion, obtain any further evidence deemed necessary or advisable, but shall in no case be bound to obtain it. The Trustee may accept a certificate of the Clerk to Council to the effect that an Ordinance in the form therein set forth has been enacted by the Council as conclusive evidence that the Ordinance has been duly enacted and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in the Ordinance shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful default.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any Default hereunder except failure by the County to cause to be made any of the payments to the Trustee required to be made by **Article VI** hereof, unless the Trustee shall be specifically notified in writing of the Default by the County, or by the Holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding and all notices or other instruments required by the Ordinance to be delivered to the Trustee, must, in order to be effective, be delivered at the principal corporate trust office of the Trustee or at any other address as set forth in a Supplemental Ordinance, and in the absence of notice delivered, the Trustee may conclusively assume there is no Default except as aforesaid.

(h) At any and all reasonable times, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants, and representatives, shall have the right fully to inspect any and all Projects, including all books, papers, and records of the County pertaining to the Bonds, and to make copies and take any memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any bond or surety in respect to the execution of the trusts and powers or otherwise in respect of the premises.

(j) Before taking any action hereunder, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful default by reason of any action so taken.

(k) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law or by the Ordinance. The Trustee shall be under no liability for interest on any moneys received hereunder except as may be agreed upon.

(l) The Trustee is not liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Bondholders under any provision of this Ordinance relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Ordinance.

(m) Whenever in the administration of this Ordinance the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence thereof is specifically prescribed) may, in the absence of bad faith on its part, rely upon a certificate of an Authorized Representative.

(n) The Trustee is not required to make any inquiry or investigation into the facts or matters stated in any ordinance, resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document.

(o) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of holders of Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, pursuant to the provisions of this Ordinance, the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall have no liability with respect to any such action taken in the absence of bad faith.

(p) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Ordinance shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the discharge of this Ordinance and final payment of the Bonds.

(q) Except for information provided by the Trustee concerning the Trustee, the Trustee shall have no responsibility for any information in any offering memorandum or other disclosure material distributed with respect to the Bonds, and the Trustee shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(r) No provision of the Ordinance shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(s) Whether or not expressly so provided, every provision of this Ordinance relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this **Section 7.02**.

**Section 7.03 Fees, Charges, and Expenses of Trustee.** The Trustee shall be entitled to payment or reimbursement for reasonable fees for its services rendered hereunder, and all advances, counsel fees, and other expenses reasonably and necessarily made or incurred by the Trustee in connection with its services and, in the event that it should become necessary that the Trustee perform extraordinary services, it shall be entitled to reasonable extra compensation therefor, and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith; provided, that if extraordinary services or extraordinary expenses are occasioned by the willful neglect or default of the Trustee, it shall not be entitled to compensation or reimbursement therefor.

In the event the Trustee incurs expenses or renders services in any proceedings under the Bankruptcy Code relating to the County, the expenses so incurred and compensation for services so rendered are intended to constitute expenses of administration under the Bankruptcy Code.

As security for the performance of the obligations of the County under this **Section 7.03**, the Trustee shall have a lien, which it may exercise through a right of set off, prior to the Bonds upon all property or funds held or collected by the Trustee pursuant to this Ordinance for the payment of principal of, redemption premium, if any, and interest on the Bonds. The obligations of the County to make the payments described in this **Section 7.03** shall survive discharge of this Ordinance and payment in full of the Bonds.

**Section 7.04 Notice to Bondholders if Default Occurs.** If a Default occurs of which the Trustee is by **Section 7.02(g)** hereof required to take notice or if notice of Default be given as in **Section 7.02(g)** provided, then the Trustee shall give such notice to the County and the Trustee may give written notice thereof by first-class mail to the last known Holders of all Bonds then Outstanding shown on the Books of Registry.

**Section 7.05 Intervention by Trustee.** In any judicial proceeding to which the County is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the Bondholders, the Trustee may intervene on behalf of the Bondholders and shall do so if requested in writing by the Holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding. The rights and obligations of the Trustee under this **Section 7.05** are subject to the approval of a court of competent jurisdiction.

**Section 7.06 Merger or Consolidation of Trustee.** Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any conversion, sale, merger, consolidation, or transfer to which it is a party, *ipso facto*, subject to the approval of the County, shall be and become successor Trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges, and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed, or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

**Section 7.07 Resignation by the Trustee.** The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving sixty (60) days written notice to the County, and by first-class mail to each Holder of Bonds then Outstanding shown on the Books of Registry, and the resignation shall take effect upon the appointment of a successor Trustee or successor temporary Trustee by the Bondholders or by the County. The notice to the County may be served personally or sent by registered or certified mail.

**Section 7.08 Removal of the Trustee.** The Trustee may be removed at any time after thirty (30) days' notice either (a) by an instrument or concurrent instruments in writing delivered to the Trustee and to the County and signed by the Holders of a majority in aggregate principal amount of all Bonds then Outstanding, or (b) unless a Default has occurred and is continuing, by written direction of an Authorized Representative of the County delivered to the Trustee.

**Section 7.09 Appointment of Successor Trustee by the County or the Bondholders.** In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may

be appointed (a) by the County so long as the Bonds are not in Default, or (b) by the Holders of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by the Holders, or by their attorneys in fact, duly authorized. If the Trustee resigns and a successor has not signified its acceptance within sixty days, the resigning Trustee may apply to a court of competent jurisdiction for a successor to be named. Every Trustee appointed pursuant to the provisions of this **Section 7.09** must meet all the requirements of **Section 7.01** hereof.

**Section 7.10    Concerning Any Successor Trustee.**

(a)     Upon acceptance of appointment by the successor Trustee as provided in this **Section 7.10**, the County shall give notice of the succession of the Trustee to the trusts hereunder by first-class mail to the Holders at the addresses shown on the Books of Registry. (b) Except for Supplemental Ordinances providing for the issuance of Bonds or Junior Bonds pursuant hereto, the County shall not enact any Supplemental Ordinance authorized by the foregoing provisions of this **Section 11.01** unless in the opinion of counsel addressed to the Trustee and the County (which opinion may be combined with the opinion required by **Section 11.04** hereof) the enactment of the Supplemental Ordinance is permitted by the foregoing provisions of this **Section 11.01** and the provisions

of the Supplemental Ordinance do not adversely affect the rights of the Holders of the Bonds then Outstanding and will not affect any Bonds then Outstanding, the interest on which is not subject to federal or State income taxation.

**Section 11.02 Amending and Supplementing of Ordinance With Consent of Holders of Bonds.**

(a) With the consent of the Holders of not less than a majority in principal amount of the Bonds then Outstanding, the Council from time to time and at any time may enact an Ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, the Ordinance, or modifying or amending the rights and obligations of the County under the Ordinance, or modifying or amending in any manner the rights of the Holders of the Bonds then Outstanding; provided, however, that, without the specific consent of the Holder of each Bond which would be affected thereby, no Supplemental Ordinance amending or supplementing the provisions hereof or thereof shall: (i) change the fixed maturity date of any Bond or the dates for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the redemption price (or the redemption premium) payable upon the redemption or prepayment thereof; (ii) reduce the aforesaid percentage of Bonds, the Holders of which are required to consent to any Supplemental Ordinance amending or supplementing the provisions of the Ordinance; (iii) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby other than authorized Series with respect to Junior Bonds; (iv) authorize the creation of any pledge of the Trust Estate, prior, superior, or equal to the pledge of and lien and charge thereon created herein for the payment of the Bonds; or (v) deprive any Holder of the Bonds of the lien on the Trust Estate afforded by the Ordinance. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the Holders of the Bonds of the enactment of any Supplemental Ordinance authorized by the provisions of **Section 11.01** hereof.

(b) It shall not be necessary that the consents of the Holders of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the Supplemental Ordinance effecting the amending or supplementing hereof pursuant to this **Section 11.02**. The County shall mail a notice at least once, not more than thirty (30) days after the effective date of any amendment or supplement, of the amendment or supplement, postage prepaid, to each Holder of Bonds then Outstanding at the address appearing upon the Books of Registry and to the Trustee, but failure to mail copies of the notice to any of the Holders shall not affect the validity of the Supplemental Ordinance effecting the amendments or supplements or the consents thereto. Nothing in this paragraph contained, however, shall be construed as requiring the giving of notice of any amendment or supplement of the Ordinance authorized by **Section 11.01** hereof. No action or proceeding to set aside or invalidate any Supplemental Ordinance or any of the proceedings for its enactment shall be instituted or maintained unless the action or proceeding is commenced within sixty (60) days after the mailing of the notice required by this paragraph.

(c) The County shall not enact any Supplemental Ordinance authorized by the foregoing provisions of this **Section 11.02** unless in the opinion of counsel addressed to the Trustee, if any, and the County (which opinion may be combined with the opinion required by **Section 11.04** hereof) the enactment of the Supplemental Ordinance is permitted by the foregoing provisions of this **Section 11.02** and the provisions of the Supplemental Ordinance do not adversely affect the rights of the Holders of the Bonds then Outstanding and will not affect the Bonds then Outstanding, the interest on which is not subject to federal or State income taxation.

**Section 11.03 Notation Upon Bonds; New Bonds Issued Upon Amendments.** Bonds delivered after the effective date of any action taken as provided in this **Article XI** may bear a notation as

to the action, by endorsement or otherwise and in form approved by the County. In that case, upon demand of the Holder of any Bond Outstanding after the effective date and upon the presentation of the Bond for that purpose at the office of the Trustee, a suitable notation shall be made on the Bond. If the County shall determine, new Bonds, modified as in the opinion of the County upon the advice of counsel to conform to the amendments or supplements made pursuant to this **Article XI**, shall be prepared, executed, and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged without cost to the Holder for Bonds then Outstanding, upon surrender of the Outstanding Bonds.

**Section 11.04 Effectiveness of Supplemental Ordinance.** Upon the enactment (pursuant to this **Article XI** and applicable law) by the Council of any Supplemental Ordinance amending or supplementing the provisions of the Ordinance and the delivery to the Trustee of an opinion of Bond Counsel that the Supplemental Ordinance is in due form and has been duly enacted in accordance with the provisions hereof and applicable law and that the provisions thereof are valid and binding upon the County, or upon any later date as may be specified in the Supplemental Ordinance, (a) the Ordinance and the Bonds shall be modified and amended in accordance with the Supplemental Ordinance, (b) the respective rights, limitations of rights, obligations, duties, and immunities under the Ordinance of the County, the Trustee, and the Holders of the Bonds shall thereafter be determined, exercised, and enforced under the Ordinance subject in all respects to the modifications and amendments, and (c) all of the terms and conditions of any Supplemental Ordinance shall be a part of the terms and conditions of the Bonds and of the Ordinance for all purposes.

**Section 11.05 Supplemental Ordinance Affecting Trustees or Custodians.** No Supplemental Ordinance changing, amending, or modifying any of the rights, duties, and obligations of any Trustee or Custodian appointed by or pursuant to the provisions of the Ordinance may be enacted by the Council or be consented to by the Holders of the Bonds without written consent of the Trustee or Custodian affected thereby.
