Describe your understanding of the position for which you are applying.

The Commissioners are responsible to the citizens of Greenville County for the Museum and it's collection, display, educational opportunities and fiscal health. And, periodic reporting of the above items to County Council.

I have learned that there are two separate and distinct budgets. One for Operations (that comes primarily from Co. Tax Millage) and another for the Art Collection (that comes primarily from Donors.) These two can not be mixed in order for the Museum to remain accredited.

What specific skills do you believe you could contribute as a member of this board or commission?

As an Architect, I have taken many art courses in School, traveled to many of the worlds best museums and have a love for our local collection. I have also served on this exact Commission for 6 of the last seven years with good attendance. I have, also, served on local non-profit Boards and Commissions my entire adult career for the benefit of our community. I know how to run a meeting effectively while respecting all points of view. I understand how to set, monitor and stay in budget.
