

Greenville County Wide Annual Litter Pick-Up

Saturday, Oct 21, 2017

The Greenville County Wide Annual Litter Pick-Up is a great way for neighborhoods and organizations to come together for the betterment of our community.

All we ask is that you volunteer, as a group or individually, to pick up litter in your community. We will supply the safety vests, litter pickup sticks and trash bags.

Volunteer groups must follow very strict safety guidelines. Please review the following safety procedures with your group before the litter pick-up:

- Group leaders shall review the safety guidelines with the group members prior to each cleanup.
- Every group should have a first aid kit, water and cell phone. Your group is responsible for these items.
- Don't try to handle hazardous litter, such as car batteries, discarded syringes, etc.
- Be very careful handling broken glass. Remind participants not to step or kneel in areas of tall grass.
- Be alert and ready to react to traffic.
- Everyone participating in the litter pick up must be wearing an orange safety vest at all times.
- Work together as a group and walk facing oncoming traffic. Work on one side of the road at a time.
- Do not engage in horseplay.
- Watch out for bees, wasps, fire ants, snakes, poisonous plants and other potential natural hazards.
- Alcoholic beverages are prohibited on a litter pickup.
- If youth groups are involved in the cleanup, adult supervision is required at all times.
- Do not wear music headphones, as they interfere with hearing traffic.
- Do not wear hats that could obscure your vision and keep you from seeing an approaching hazard.
- Do not try to compress trash into the bags, as sharp objects could cause injuries.
- Do not bring knives, machetes, or other such tools that could cause accidental injuries.

By participating in the litter pick up, the volunteer(s) agrees to follow Greenville County safety guidelines and instructions and agree to NOT hold Greenville County, Greenville County Municipalities, the Greenville County Litter Pick Up coordinator or his/her sponsor(s) responsible for any injuries they may suffer or damages they may cause or suffer, as a result of participation in the litter pick up.
