(h) The Lessee agrees to furnish to the portion of the building excepted and reserved from the lease, heat during the cold season, beginning November 1st, and ending May 1st, but only from the heating plant in the demised premises, and Lessee shall not be required to furnish heat during such portion of said period, when said heating plant shall not be operated because of accident, breakdown or the making of repairs to the heating plant or any portion of the demised premises, which shall make it impractical to operate the heating plant or because of inability of the Lessee to obtain proper fuel for use in said plant, or because of any temporary cessation of operation of said plant for any reason; nor shall the Lessee be in any wise liable for failure to heat such premises so excepted and reserved because of the insufficiency or inadequacy of the said heating plant for that purpose.

It is agreed that some competent heating engineer or expert chosen by the Lessee shall determine the amount of radiation in the said excepted premises, and the pro rata amount of the cost of heating the entire building which should be borne by the lessor on the basis of the ratio of the radiation in the excepted premises to the radiation in the demised premises, and the Lessor agrees to pay the said proportionate amount so determined, payment to be made every four weeks, and the Lessee shall be entitled to withhold and deduct from the installment of rent next thereafter due, the amount due for the heating charge to the Lessor for the preceding four weeks (period).

(c) Lessor shall have a lien as against the equipment in and on the demised premises belonging to Lessee for the rent due and payable under this lease, with the distinct understanding, however, that as to the organ and fixed and unfixed seats, or any substitutions therefor, such lien shall extend only to the equity of Lessee in and to said organ and in and to said fixed and unfixed seats, it being the intention of Lessee to purchase and pay for said organ and said seats and for any substitutions therefor, by the customary installment method; that said lien may be enforced in the same manner as chattel mortgages and liens are enforceable under the laws of the State of South Carolina, provided always, however, that nothing in this lease contained shall prevent Lessee from removing and disposing of any such equipment which may become worn out, out of repair or antiquated upon substitution of other equipment and the lien herein given shall apply, as hereinbefore stated, as against the substituted equipment.

(d) As to any and all provisions of this lease imposing an obligation on Lessor to do any matter or thing should the provision contain an agreement that in the event of failure or omission on the part of Lessor, Lessee shall have the right to do the matter of thing in question and deduct the cost and expense thereof from any subsequent installment of subsequent installments of rent due and payable under this lease, whether Lessee have a lien on the demised premises therefor or not, Lessee, in lieu of reimbursement out of rentals, shall have the right, at any time to require Lessor to reimburse Lessee for the amount involved, or for the amount remaining unpaid as reduced by prior application of rentals, immediately upon demand therefor, and immediately upon demand, Lessor shall reimburse, lessee.

(e) Should Lessee default in the payment of the rent reserved in and by this lease, or any part thereof, and should such default continue for a period of sixty (60) days after notice thereof from Lessor, Lessor shall have the right, at Lessor's option, to terminate this lease, providing always, however, that such written notice contain a statement that if the unpaid rent is not paid within sixty (60) days from the date thereof, Lessor will terminate the lease. Nothing herein contained, however, shall obligate Lessor to exercise said option.

This lease and each and every covenant, condition and agreement therein contained shall be binding on and enure to the benefit of the parties hereto and their respective successors and assigns.

In witness whereof, the said W. H. Keith has executed this instrument, and said Greenville Enterprises, Inc., has caused its corporate seal to be hereunto affixed, and these presents to be signed by its President, this 17th day of July, 1925.
