

WHEREAS, the Second Party is to furnish all labor in connection with the installation of the said pipe and backfilling with dirt.

NOW, THEREFORE, in consideration of the premises, the first parties agree to pay in full for the 96 feet of secondhand pipe and both parties agree to bear equally the cost of some 20 to 24 lineal feet of new pipe and the Second Party is to perform all labor in connection with the installation and backfilling.

The First Parties do hereby grant and convey to the Second Party an easement or right of way for the installation of said pipe and in consideration of the premises as hereinabove set forth, the ^{First} Parties do hereby release and forever relinquish the Second Party on account of any damage from surface water from the streets of the City of Greenville across their property.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals, in duplicate, this 24 day of April, 1960.
