My Commission Expires: _____

- The following contract is signed with the following exceptions:
1. Should the landowner need to fill in the area sewer line is installed in, the landowner will have the right to build a concrete culvert same size as is under highway over said sewer line as protection to said line.
 2. Should the landowner elect not to build concrete culvert, and need to fill in this area, the District at their expense, will build up the manholes to the height required for fill.
 3. At the time the contractor begins work to install line, it shall be done as soon as possible so as not to interrupt business of the Gold Course anymore than necessary.
 4. All work on sewer line must be completed and land returned to original shape by April 3, 1964.
