

4. No heavy truck or trailer shall be parked on any of this property at any time, except for purposes of loading or unloading; no house trailer, disabled vehicle or unsightly machinery or junk, shall be placed on any of the property, either temporarily or permanently; providing, however, this shall not be construed as prohibiting the parking or keeping of travel trailers, so long as they are not used as a residence, either temporarily or permanently and are maintained in a sightly manner to the rear of any residence constructed on any of the property.
5. No concrete block shall be used in the construction of any building on any lot which may be visible from the exterior after grading has been completed. All fuel, oil tanks or containers shall be covered or buried underground in the rear of all residences erected on any of the property.
6. All sewerage disposal shall be by disposal systems complying with the requirements of the South Carolina State Board of Health.
