

7. On all lots, the main building or dwelling shall face toward the building line as shown on said plat.

8. No house shall be constructed in this Subdivision on the above restricted lots having less than 1,500 square feet, outside dimensions, exclusive of basements, carports, garages, porches, breezeways or patios.

9. No noxious or offensive trade or offensive trade or activity shall be carried on upon any of said lots, nor shall anything be done thereon which may be or become an annoyance, nuisance or menace to the neighborhood; nor which shall violate any Municipal, County or State Ordinance.

10. No trailer, basement, tent, shack, garage, barn or other outbuilding erected upon said lots shall at any time be used as a residence, either temporarily or permanently, nor shall any structure of a temporary character nor any structure which is unfinished or uncompleted be used as a residence. No house trailer or mobile home shall be placed on any of said lots, either temporarily or permanently, unless the same shall be stored in a closed building so as not to be visible from outside of said building.

11. No fence of any type, wall or hedge shall be erected on any of said lots, in front of the rear wall of the dwelling located thereon, except upon written approval of the Architectural Committee, as hereinafter provided. All fuel oil tanks, gas tanks and other storage containers used in connection with a dwelling shall be placed underground or placed in an outbuilding, consistent with normal safety precautions, so that said tanks or containers shall not be visible.

12. If said lots are subsequently re-cut and re-subdivided, no residence shall be constructed on such re-subdivided property or any lot or portion thereof which is smaller than the smallest lot shown on the above referred to plat. Nothing herein contained shall be construed to prohibit the use of more than one lot or portions of one or more lots as a single residence building site, provided that said lot would otherwise meet the requirements as to size, set-back, and directional facing of said dwellings.

13. The right is reserved to lay or place or authorize the laying and placing of sewer, gas and water pipe lines, telephone, telegraph and electric light poles on any of the streets, alleys and by-ways shown on said Plat, or hereafter cut, without compensation or consent of any lot owner in said Subdivision. An easement for the installation and maintenance of utilities and drainage facilities is reserved over said streets, alleys and by-ways.

14. Easements for utility installation and drainage facilities are reserved over and across the side and rear portion of all said lots as indicated on the above mentioned plat, with the provision that in the event that one or more lots or portions thereof are joined together to form a larger lot, the easement shall be only on the side and rear boundaries of the lot as formed.
