

2. GRANT. The undersigned parties hereby grant, assign, set over and convey to Bolieks and Benders, their heirs and assigns forever, an easement and right of way for the purpose of installing and maintaining a sewer line within the above described easement for the benefit of the property of Boliek and Bender, said grant of easement by the undersigned being only as to property which they own.

3. INSTALLATION, MAINTENANCE AND REPAIR. Bolieks and Benders hereby agree to pay for the installation of said sewer line and to maintain and repair the same and to put the property in good clean condition after installation, maintenance or repair.

4. Said easement shall be a permanent easement and right of way appurtenant to and for the benefit of the property of Bolieks and Benders, their heirs and assigns forever.

IN WITNESS WHEREOF, the undersigned parties have hereunto set their hands and seals the day and year first written above.
