

right at all times to cut away and keep clear of said pipelines any and all vegetation that might, in the opinion of the Grantee, endanger or injure the pipelines or their appurtenances, or interfere with their proper operation or maintenance; the right of ingress and egress from said strip of land across the land referred to above for the purpose of exercising the rights herein granted; provided that the failure of the Grantee to exercise any of the rights herein granted shall not be construed as a waiver or abandonment of the right thereafter at any time and from time to time to exercise any or all of same. No building shall be erected over said sewer pipeline nor so close thereto as to impose any load thereon.

3. It is Agreed: That the Grantor may plant hedges or appropriate plant ground cover and maintain fences and use this strip of land, provided: That plants shall not be planted over any sewer pipes where the tops of the pipes are less than eighteen (18) inches under the surface of the ground; that the use of said strip of land by the Grantor shall not, in the opinion of the Grantee, interfere or conflict with the use of said strip of land by the Grantee for the purposes herein mentioned, and that no use shall be made of the said strip of land that would, in the opinion of the Grantee, injure, endanger or render inaccessible the sewer pipeline or their appurtenances.

4. It is further agreed: That in the event a building or other structure should be erected contiguous to said sewer pipeline within the permanent right of way, no claim for damages
