Reference: Non-payment for Burglar and Fire Alarm System

Dear Mr. Nelson;

I have called you on several occasions, leaving a message with your wife or on your answering machine, but you have not returned any of these calls. This I do not understand.

When you contracted with this company last year for the alarm system, we ordered the special equipment at that time. Inasmuch as you did not get telephone lines to your home, we could not put the system in until April 10, 1986. During this period we have a good deal of money tied up thru no fault of ours.

Our agreement was that you would pay a 1/3 down, 1/3 at the end of 30 days and the last 1/3 at the end of 60 days from installation. It has now been 60 days and instead of being paid in full, we have not received any monies from you.

This is to advise you that unless the full amount of \$3,897.53 is received in this office by Thursday June 12, 1986, we will be forced to take action to protect our interest.

Sincerely yours,

Curtis M. Head
