

(b) One 36-inch main line loop (line "C") section approximately 10.48 miles in length, beginning at the east end of the existing loop at approximate mile post 1472.72, and continuing in an easterly direction to the end of the loop section at approximate mile post 1483.20, all in Buckingham County, Virginia.

(c) One 36-inch main line loop (line "C") section approximately 10.14 miles in length, beginning at approximate mile post 1440.03, and continuing in an easterly direction to the west end of the existing loop at approximate mile post 1450.17, all in Campbell County, Virginia.

(d) One 36-inch main line loop (line "C") section approximately 4.75 miles in length, beginning at approximate mile post 1506.11, and continuing in an easterly direction to the end to the loop section at approximate mile post 1510.86, all in Fluvanna County, Virginia.

(e) One 42-inch main line loop (line "C") section approximately 10.40 miles in length, beginning at approximate mile post 1557.76, and continuing in an easterly direction to the end of the 42-inch loop section at approximate mile post 1568.16, all in Fauquier County, Virginia. Included in this main line loop section is a main line valve assembly with double cross-overs to lines "A" and "B" at the beginning of the loop section.

(f) One 36-inch main line loop (line "C") section approximately 4.86 miles in length, beginning at the end of the 42-inch loop at approximate mile post 1586.16, and continuing in an easterly direction to the west end of the existing loop at approximate mile post 1573.02, all in Fauquier County, Virginia.

PENNSYLVANIA

Four main line loop sections in Pennsylvania, totaling approximately 85.47 miles in length, described as follows:

(a) One 24-inch main line loop (line "B") section approximately 44.84 miles in length, beginning at Compressor Station 515 at approximate mile post 68.93, located in Buck Township, Luzerne County, and continuing in a westerly direction to the east end of the existing loop at approximate mile post 113.75, located in Sugar Loaf Township, Columbia County, all in the State of Pennsylvania. Included in this main line loop section are two main line valve and scraper trap assemblies with cross-overs to line "A" suction and discharge lines at Compressor
