

...all and singular the said property unto the Mortgagee, its successors and assigns forever.

The Mortgagee warrants that he is lawfully seized of the premises hereinabove described in fee simple absolute (or some estate therein) and that he has good right and lawful authority to sell, convey, or encumber the same, and that the premises are free and clear of all liens and encumbrances whatsoever except as herein otherwise provided. The Mortgagee further covenants to warrant and forever defend all and singular the premises as herein provided unto the Mortgagee forever, from and against the Mortgagor and all persons whomsoever lawfully claiming or to claim an interest therein.

The Mortgagee's obligations are as follows:

1. He will pay for the principal of and interest on the indebtedness evidenced by the said note, at the time and in the manner therein provided. Privilege is reserved to prepay at any time, without premium or fee, the whole or any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), without penalty.

2. Together with, and in addition to, the monthly payments of principal and interest payable under the terms of the mortgage secured hereby, he will pay to the Mortgagee, on the first day of each month until the said note is fully paid:

(a) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee, and of which the Mortgagor is notified) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments.

(b) The aggregate of the amounts payable pursuant to subparagraph (a) and those payable on the note secured hereby, shall be paid in a single payment each month, to be applied to the following items in the order stated:

- (i) taxes, special assessments, fire and other hazard insurance premiums;
- (ii) interest on the note secured hereby; and
- (iii) amortization of the principal of said note.

Any deficiency in the amount of such aggregate monthly payment, shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgagee may collect a "late charge" not to exceed an amount equal to four per centum (4%) of any installment which is not paid within fifteen (15) days from the due date thereof to cover the extra expense involved in handling delinquent payments.

3. If the total of the payments made by the Mortgagor under (a) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagee for taxes or assessments or insurance premiums, as the case may be, such excess shall be credited on subsequent payments to be made by the Mortgagor for such items. If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency. Such payment will be made within thirty (30) days after written notice from the Mortgagee stating the amount of the deficiency, which notice may be given by mail. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any balance remaining in the funds accumulated under the provisions of (a) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby, or if the property is otherwise acquired after default, the Mortgagee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the amount then remaining in the funds accumulated under (a) of paragraph 2 preceding, as a credit on the interest accrued and unpaid and the balance to the principal then remaining unpaid on the note secured hereby.

4. The lien of this instrument shall remain in full force and effect during any postponement or extension of the time of payment of the indebtedness or any part thereof secured hereby.

5. He will pay all taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions, for which provision has not been made hereinbefore, and in default thereof the Mortgagee may pay the same; and will promptly deliver the official receipts therefor to the Mortgagee. If the Mortgagor fails to make any payments provided for in this section or any other payments for taxes, assessments, or the like, the Mortgagee may pay the same, and all sums so paid shall bear interest at the rate of four per centum (4%) per annum from the date of such advance and shall be secured by this mortgage.

6. Upon the request of the Mortgagee the Mortgagor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the Mortgagee for the alteration, modernization, improvement, maintenance or repair of said premises, for taxes or assessments against the same and for any other purpose authorized hereunder. Said note or notes shall be secured hereby on a parity with and as fully as if the advance evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at four per centum (4%) per annum and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the creditor and debtor. Failing to agree on the maturity, the whole of the sum or sums so advanced shall be due and payable thirty (30) days after demand by the creditor. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.
