The enumeration of certain properties, articles or rights shall in no wise be construed to exclude other property, articles or rights of the same or of a different kind. It is the intent of this instrument that it shall cover all the assets, lands, premises, estates and properties, real, personal and mixed, of any kind or character, wherever the same may be located (other than cash and trade accounts receivable or notes taken in payment therefor) now owned or hereafter acquired by THE COMPANY, and all such assets are conveyed and mortgaged to THE TRUSTEE by this instrument. It is understood and agreed, however, that prior to default, supplies needed in the regular course of said business may be used and replacements made to take the place of those consumed in operation and use; and it is further understood and agreed that THE COMPANY shall have the right in the due course of business to acquire replacing or additional machinery and equipment, and, if deemed advisable, to purchase the same upon conditional sales contracts constituting a lien upon said property so ac-
