**2. Funds for Taxes and Insurance.** Subject to Lender's option under paragraphs 4 and 5 hereof, Borrower shall pay to Lender on the day monthly installments of principal and interest are payable under the Note, and the Note is paid in full a sum therein ("Funds") equal to one-twelfth of the yearly taxes and assessments which may attach priority over this Mortgage, and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency including Lender if Lender is such an institution. Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender shall make no charge for so holding and applying the Funds or verifying and compiling said assessments and bills. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower, and unless such agreement is made, Lender shall not be required to pay Borrower any interest on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds, and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within thirty days after notice from Lender to Borrower requesting payment thereof.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any Funds held by Lender.

If under paragraph 18 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first to payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, and on Future Advances, if any, and then to the principal of the Note and to the principal of Future Advances, if any.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments and other charges, taxes and impositions attributable to the Property which may attach priority over this Mortgage, and ground rents, if any, in Lender's option in the manner provided under paragraph 2 hereof or by Borrower making payment, when due, directly to the payer thereof. Borrower shall promptly furnish to Lender all notices of charges due under this Mortgage, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts reflecting such payments. Borrower shall promptly discharge any lien which has priority over this Mortgage, provided that Borrower shall not be required to discharge any such lien so long as Borrower shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender, or shall in good faith contest such lien, or defend such payment of such lien, or legal proceedings which operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards provided against by term extended coverage, and all other hazards as Lender may require and in such amounts and for such periods as set by law or required by Lender. Lender shall not require that the amount of such coverage exceed that amount of coverage required to pay the sums secured by this Mortgage.

The insurance contract providing the insurance shall be issued by Borrower, subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All premiums on such insurance shall be paid at Lender's option in the manner provided under paragraph 2 hereof or by Borrower making payment, when due, directly to the insurance carrier.

All insurance policies and proceeds shall be assigned to Lender, and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier, and Lender and Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible, and the security of this Mortgage is not thereby impaired. If such restoration or repair is not economically feasible, or the security of this Mortgage would be impaired, the insurance proceeds shall be applied to the sums secured by the Mortgage, with the excess, if any, paid to Borrower. If the Property is destroyed by Borrower, or if Borrower fails to respond to Lender, within thirty days after notice by Lender to Borrower that the insurance carrier offers to settle, or upon payment of benefits, Lender shall attempt to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of the monthly installments secured by paragraphs 1 and 2 hereof or change the amount of such installments.

If under paragraph 18 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, in and to any insurance policies and in and to the proceeds thereof, to the extent of the sums secured by this Mortgage, immediately prior to such sale or acquisition (notwithstanding from coverage to the Property) any amounts due to or payable to Lender.

**6. Preservation and Maintenance of Property; Leaseholds; Condominiums.** Borrower shall keep the Property in good repair and shall not permit any part thereof to be in a state of disrepair. Borrower shall comply with the provisions of any lease of the Property, and shall comply with the provisions of any applicable Mortgage, and shall comply with all other obligations of Borrower, and shall conform to all of Borrower's obligations under the laws, ordinances, regulations and regulations of the condominium project, and constituent documents.

**7. Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced or threatened against Lender's interest in the Property, including, but not limited to, eminent domain proceedings, or if there is any other event which may result in a loss of or damage to, or a lien or claim against, then Lender at Lender's option may require Borrower to pay such expenses, including such sums, and take such action as is necessary to protect Lender's interest, including, but not limited to, taking action to pay for attorney's fees and entry upon the Property to make repairs. Any amounts and costs incurred by Lender in carrying out paragraph 7, with respect thereto, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower, in installments, and shall bear interest from the date of disbursement at the rate stated in the Note, and as payment of interest on such amounts shall be contrary to applicable law, in which event such amounts shall bear interest at the highest rate permissible by applicable law. Nothing contained in this paragraph 7 shall require Lender to incur any expense or do any act hereunder.

**8. Inspection.** Lender may make or cause to be made reasonable entries and inspections of the Property, provided that Lender shall give Borrower notice prior to any such entry or inspection, unless, therefore, related to Lender's interest in the Property.

**9. Condemnation.** The proceeds of any award or compensation for damages to the Property or for the destruction, with any condemnation or other taking of the Property, or any part thereof, or the conversion of the Property or any part thereof, shall be assigned and shall be paid to Lender.

In the event that the proceeds of any award or compensation for damages to the Property or for the destruction, with any condemnation or other taking of the Property, or any part thereof, or the conversion of the Property or any part thereof, shall be assigned and shall be paid to Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.
