

the maturity date at my current interest rate in substantially equal payments. If so, each month that the Limited Payment Amount is less than the interest portion, the Note Holder will subtract the Limited Payment Amount from the amount of the interest portion and will add the difference to my unpaid principal balance. The Note Holder will also add interest on the amount of this difference to my unpaid principal balance each month. The interest rate on the interest added to principal will be the rate required by Section 4(C) above.

(F) Limit on Unpaid Principal Balance; Increased Monthly Payment Amount

My unpaid principal balance can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal amount I originally borrowed. My paying a Limited Payment Amount after any Change Date could cause my unpaid principal balance to exceed that maximum amount. If so, on the date that my paying a Limited Payment Amount would cause me to exceed that limit, I will instead begin paying a new monthly payment until the next Change Date. The new monthly payment will be in an amount which would be sufficient to repay my then unpaid principal balance in full on the maturity date at my current interest rate in substantially equal payments.

(G) Required Full Payment Amount

Beginning with the first monthly payment after the twentieth Change Date, I will pay the Full Payment Amount as my monthly payment.

(H) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(I) Notice of Changes

The Note Holder will mail or deliver to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me."

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security Instrument, Lender shall send Borrower notice identifying such lien.
